Truman Tells Democrats To War on Reactionaries

Capehart Wings One At the 'Floogie Bird'

WASHINGTON, Feb. 19 (AP)—President Truman compared his critics tonight to a "floogie bird" that flies backward so he can see where he has been.

Senator Capehart, of Indiana, one of the Republicans commenting on the President's speech, said he could well understand why Mr. Truman would not want to be such a bird. So, Capehart:

"He wouldn't have the heart to look back on where the New Deal has been."

"I can only hope that the President's flying does not lead to the hell on earth such as that made by Soviet Russia and Nazi Germany. As for me, I want to explore every proposal for the future, but have no intention of sneering at those who know good from bad, based on historic experience."

Senator Bridges (R-NH) said the President's speech proved that the "Democratic party is haunted by its

CHIEF EXECUTIVE SEES CHALLENGE TO LIBERALISM

Terms GOP 'Defeatist'

For Opposition to Social Improvement Program

WASHINGTON, Feb. 19 (AP)—President Truman called on his party tonight to battle against "reactionary conservatism" and the "privileged few" in the coming elections.

"This is a year of challenge," he said. "I propose that we meet that challenge head on."

"The people will again decide whether they want the forces of positive, progressive liberalism to continue in office, or whether, in these challenging times, they want to entrust their government to those forces of conservatism which believe in the benefit of the few at the expense of the many."

The President spoke at a Jefferson-Jackson day dinner.

He avoided any direct reference to dissatisfied elements in his party. Neither did he mention the Republican party or any of his presidential nomination contenders by name.

But, in an apparent slap at Republicans in Congress, he denounced critics of his ten-year social improvement program outlined in his January legislative message.

He called them "timid," "defeatist," "backward-looking" and "men of small vision and faint hearts."

"The timid people say that this can't be done," he said referring to his program for improving social security and justice, production, education, and housing.

"I know that it can be done," he declared repeatedly, "and we of the forward-looking faith must dedicate ourselves to the proposition that it will be done."

"If anyone chooses to call this policy," he concluded, "then it is the politics of Jefferson and Jackson."

He'll Get No. 1 Bicycle License Tag

The first to make application to register his bike, Bill Neiman, son of Mr. and Mrs. Kenneth Neiman, 53 Chestnut street, holds license plate No. 1 which he will receive Monday morning. The blue and white license plates, shown enlarged, will be issued Monday when the ordinance goes into effect. Bikes may be inspected today and tomorrow in preparation for registration.

Bicycle License Law To Become Effective In Borough Monday

Although the safety handbooks considered essential to its operation have not arrived, Pottstown's bicycle ordinance will go into effect Monday morning, Chief of Police James A. Laughhead announced yesterday.

Laughhead said increasingly good weather conditions have brought out more bikes and made it imperative to start enforcing the ordinance without further delays.

Scheduled to begin Jan. 1, it was delayed when the license plates failed to arrive in time. It has been held up since by failure to receive the handbooks.

Now, the ordinance will go into effect and the handbooks will be issued when they are received.

Applications for registration are to be made at the police station in Borough hall. A fee of \$1.00 for registration is provided by the ordinance, and after March 4, all bicycles belonging to persons living in the borough must bear license plates.

In order to be registered, bicycles must be inspected for mechanical condition and safety equipment. Inspections will be made at Henry T. Pratt's Bicycle shop, 425 High street, starting today.

"We'll have three men on duty all day to handle the inspections," Pratt said yesterday.

Pratt was one of the first bicycle dealers to volunteer the inspection of the vehicles, which is made without cost.

Registration fees for each bicycle are 25 cents. That fee plus the time the bike is registered and each owner will receive a registration card, a copy of the ordinance, and a 3 by 5 inch blue and white license plate to attach to his bicycle.

No 1, the first license to be issued will go to Bill Neiman, son of Mr. and Mrs. Kenneth Neiman, 53 Chestnut street. A student in the Junior High School, he was the first to make application for registration.

All license plates are numbered serially and will be issued in first order. First served, first served. No one may reserve any special number, Chief Laughhead said.

No 13, considered "unlucky" by many, has not been omitted from the group of plates. The 13th person to register will receive that number.

According to the ordinance, all bikes having wheels ten inches or more in diameter must be registered.

Registration numbers will be kept on file by the police. In case anyone loses his registration card, similar to a car ownership card, an additional fee of ten cents will be charged for a duplicate.

Sales or transfers of bicycles must be reported to the police within ten days, while sales of new bikes by dealers must be reported within five days.

Bicycle riders must obey certain rules governing the operation of their machines, or be subject to penalties. These include:

- Riding on sidewalks.
- Riding on streets with a speed limit of 15 miles per hour or less.
- Riding on streets with a speed limit of 20 miles per hour or less.
- Riding on streets with a speed limit of 25 miles per hour or less.
- Riding on streets with a speed limit of 30 miles per hour or less.
- Riding on streets with a speed limit of 35 miles per hour or less.
- Riding on streets with a speed limit of 40 miles per hour or less.
- Riding on streets with a speed limit of 45 miles per hour or less.
- Riding on streets with a speed limit of 50 miles per hour or less.
- Riding on streets with a speed limit of 55 miles per hour or less.
- Riding on streets with a speed limit of 60 miles per hour or less.
- Riding on streets with a speed limit of 65 miles per hour or less.
- Riding on streets with a speed limit of 70 miles per hour or less.
- Riding on streets with a speed limit of 75 miles per hour or less.
- Riding on streets with a speed limit of 80 miles per hour or less.
- Riding on streets with a speed limit of 85 miles per hour or less.
- Riding on streets with a speed limit of 90 miles per hour or less.
- Riding on streets with a speed limit of 95 miles per hour or less.
- Riding on streets with a speed limit of 100 miles per hour or less.

One or Two Years? It's So Confusing!

Before the borough bicycle license ordinance even goes into effect, one of its first flaws was discovered yesterday.

Section II, paragraph A, number 6, of the ordinance reads in part:

"Bicycles registered under the provisions hereof shall be registered on or before Jan. 1, 1948, and ANNUALLY THEREAFTER."

The license plates which will be issued Monday, are good for two years, according to their lettering. "Bicycle 1948-49."

National Leader Greeted By Patriarchs Militant

The commanding general of the world's Patriarchs Militant, the highest order in Odd Fellowship, last night received a full-dress welcome from Canton 6, Pottstown's Patriarchs branch.

In return, Gordon E. Wheeler, of Flagstaff, Ariz., the commanding general gave an hour's talk in which described his trip across the country and urged the cantons to increase its membership rolls in the present year.

The address was the climax of an evening fraught with pomp and pageantry.

It began when the patriarchs, dressed in dark blue uniforms, with Sam Browne belts, swords, organizational medals and hats that would shame Gen. MacArthur, accompanied the Women's auxiliary, turned out in white satin uniforms with gold and purple sash capes, down to the Odd Fellows hall basement where dinner was served.

The only formality at the meal was presentation of an electric razor to Wheeler by Russell K. Patterson, commanding general of Pennsylvania's Patriarchs in behalf of Canton 6.

The lodge members then repaired to the inner sanctum on the third floor where the degree team initiated one candidate to membership.

Meanwhile, cards, pool and conversation, contrived mostly by the auxiliary members, went on in the social room to piano accompaniment. The room was open to the public during that time.

Then, the biggest canton in Pennsylvania (109 members) threw open

R. P. Lamont, 80, Hoover Aide, Dies

NEW YORK, Feb. 19 (AP)—Robert P. Lamont, 80, secretary of commerce under President Herbert Hoover, died today.

Lamont, a native of Detroit, died at the home of a daughter here. He had been ill for some time.

Lamont resigned as president of the American Foundries corporation to join Hoover's cabinet.

Like Hoover, Lamont was an engineer. During his early career he directed the building of the underwater tunnels into Lake Michigan to furnish Chicago's water supply.

When Hoover appointed Lamont to the secretaryship in 1929 he had been president of that firm when the Sunbeam Railway Appliance company, which he had founded, was sold to the foundries company in 1905.

When he took over the Cabinet post, Lamont resigned his directorship in the Association Against the Prohibition Amendment.

Because the liquor issue had been prominent in Hoover's campaign, Lamont gained considerable publicity from his connection with the association and said he resigned because he was "playing the game" with the administration.

MARKET PRICES RISE MODESTLY

Major Commodities Hold To Gradual Climb; Costs Up on Some Steel Grades

CHICAGO, Feb. 19 (AP)—Many major commodities today continued a modest price climb that started Saturday. Two big steel producers hiked prices on semi-finished steel.

A slight average upturn in the markets this week indicated that the recent general commodity price slump is over, at least temporarily, and that the household's food costs may level off somewhat below peaks of a month ago.

Some individual commodities continued to fluctuate sharply. However, buttermilk and another commodity in the Chicago and New York wholesale markets. Prices broke 4 to 5 1/2 cents a pound in Chicago to 76 cents—lowest since November. In New York, the price dropped 3 1/2 to 4 1/2 cents.

The National Association of Retail Grocers said a nationwide telephone survey of 13 key cities showed retail food prices had fallen for the second successive week. Shaving cream joined the price cutting parade.

Carnegie-Illinois Steel corporation, and Bethlehem Steel company hiked prices of semi-finished steel, but a spokesman for the Magazine Steel at Cleveland said the action did not necessarily mean higher finished steel prices.

Wheat, corn, oats and soybeans all were somewhat higher on the Chicago board of trade today than on Saturday, when the price slump generally was halted.

Wheat closed 1/4 to 2 1/2 cents a bushel higher today than yesterday's close, the May contract at \$2.36 1/2 a bushel. Corn closed 1/4 to 1/2 cent higher. May \$2.11 1/2—1/2. Oats were 1/2 lower to 1/2 higher. May \$1.06 1/2—\$1.06, and soybeans \$11.06 1/2—\$11.06.

MERCURY RISES TO RECORD 63

Plants Bear Evidence Of Early Spring Here; Cold Spell Predicted

While Old Sol's rays sunk heavily into the borough's back yesterday, sending the mercury to the high-water mark of 63 degrees this morning, evidences of an early Spring were spread throughout the town. Garden plants, chief beneficiaries of the warm air, were noticed, some of them sprouting 30 to 60 days ahead of schedule, and in each case were attributed to the blanket of snow that had sheltered them since early January.

Dandelion greens were picked up in Mill Park by Paul Egolf, 345 1/2 Chestnut street; tulip sprouts were seen in the front yard of Mrs. Charles Fryd, 461 North Hanover street, while a Johnny-Jump-Up jumped into bloom in the backyard of Bertha Beecher, 248 North Charlotte street.

And another "sure" sign—wild geese honking northward—was spotted by Mrs. Frank McMichael, 511 Farmington avenue.

Although the temperature was three shy of the all-time record for the date, the national weather bureau warned this area to gather its dandelion greens while it may, for another cold spell is expected to strike the East late today.

The cold air that was sweeping across the Midwest yesterday was expected to tumble temperatures well below freezing and halt the thaw that had cleared most streets of month old ice and sent the Schuylkill rising two feet in 34 hours though it was still well below flood warnings.

Two of yesterday's supposed harbingers of Spring were put to good use. Egolf crossed the Manasquan creek on West King street, found a field that had not been plowed in several years and as he expected found young dandelion greens.

"He's been doing it for years," he said, though this is the earliest he has found them in many years. The earlier the greens, the better, he explained, since he used them as a sort of salad dressing—an old Dutch delicacy.

Miss Beecher said the Johnny-Jump-Up bloom she found was not expected till late March or early April. The plant, a cousin to the pansy, produced an honest-to-goodness bloom, not just a blossom. She plucked it and put it in water in her home, and reported she expects more of the yellow and purple blossoms to pop open today.

She attributed the early bloom to the fact snow from the rear main had been piled over the plants.

Teachers Pick 2 Delegates To In-Service Plan Group

One high school and one elementary school teacher yesterday were elected to serve on the five-man committee to establish an in-service teacher training program in Pottstown.

Miss Minam V. Ludwig was chosen to represent the elementary school teachers, while Mrs. Ruth P. Swinehart was chosen as the elementary school representative.

The election was held at a special meeting of the Pottstown Teachers' association in the auditorium of the Senior High school yesterday afternoon. It was marked by the quiet nomination of seven teachers to the ballot and two suggestions from the floor.

As each teacher entered, he was given a ballot providing space for his choice of training program. The ballots are to be marked and returned to J. Fred Dilling, president of the association, or to Walter J. McGurdy, Junior High school teacher, by Monday.

Three programs were listed, a

Slavenska Ballet Troupe Delights Audience Here

By JOHNNIE PRICE (Pottstown Ballet Teacher)

A capacity audience filled the Pottstown Junior High school last night to watch a delightful program of varied ballet by a company of nine dancers, including Mia Slavenska, one of the great stars of ballet today.

All the dancers were sure of themselves and youthful, and with their expressions of varied moods, especially the spirited finale, brought loud applause from the audience. The evening concert sponsored by the Community Concert association, ended with the audience giving the beautiful star and her company curtain call after curtain call.

The showmanship was excellent, the costumes were bright and clean (something not true of all road companies) and the dancers worked hard. The last ballet group to visit Pottstown was seldom dancing on its toes: Mia Slavenska's company was seldom off its toes.

While the show was necessarily arranged to please everybody a little, there were two numbers that

Notes on the Author

Johnnie Price, author of the accompanying critique, has an extensive ballet background. He toured America in 1922 with Theodore Stepanoff, Pavlova's partner and a pupil of Nijinsky's father, pioneers of the ballet. He studied ballet dancing with Albertina Rasch and the ballet masters of "La Scala Milan" and of the Metropolitan and Chicago Opera companies. A pupil of Ruth St. Denis, Mr. Price was featured in Broadway night club ballet performance and a later toured in vaudeville. He has been teaching ballet, tap and acrobatic dancing in Pottstown since 1935. His studio is situated at 112 North Charlotte street.

were obscure and confusing to all the audience, although they did give the company a chance to exhibit its brilliant muscular control. They were the opening "Concerto Romantico," a ballet without a story, which was hard for the audience to follow, and "Dance Poem from Salome," which had no connection with the Wilde poem, that this critic could see although I have practically memorized it. Of the show's high points, one of the best was her pas de deux with Joey Harris, where she showed a phenomenal balance which bettered the performance of Anna Pavlova when I saw her 25 years ago. The "Pictures in Parcellane" was another high point with the support of the orchestra.

TAX RESOLUTION DUE FOR AIRING

Finance Committee Plans Meeting to Clarify Stand On Amusement Levies

Finance committee members of council will meet next week to discuss the borough amusement tax resolution.

This was disclosed last night by Allen K. Davidhiser, chairman of the finance group.

At that time, he said, he hopes that the entire matter will be worked out, so that recommendations can be made to borough council at its next meeting March 8.

Meanwhile, Borough Manager Dow I. Sears declared that the borough had left uncollected, only very small sums under its amusement taxing power.

Either certain entertainments were not paid as a matter of unofficial policy, because they were for local charity, or a severe lack of manpower hindered 100 percent supervision of all amusements in the borough limits, he said.

All of the collections of amusement taxes is handled through the borough manager's office. This duty fell upon Sears and the borough secretary, William Shaeffer, in addition to their other work, when the resolution went into effect the past October.

Under the wording of the resolution, all affairs except those sponsored by the Pottstown school district, are taxable.

Davidhiser emphasized that the resolution is relatively new and that more efficient enforcement

Man Fined, Settles Claims in Cafe Row

John Barrie, 35, who lives at the Merchants hotel, paid \$5 and costs and settled damage claims at a hearing last night on charges of drinking and disorderly conduct and assault and battery.

The warrant was sworn out for his arrest early yesterday morning by Charles Knoff, 382 High street, a barber, and Mrs. Earl Potteger, 432 High street, after Barrie became involved in an altercation at the Heideberg cafe, 250 High street.

Knoff and Mrs. Potteger said Barrie had broken the barber's glasses and thrown whisky on her without provocation. Barrie told Justice of the Peace Raymond C. Kelley, Secord ward last night: "Frankly I don't remember. But if I did not remember, I'll be glad to pay."

He paid the fine and costs plus \$15 for the work Knoff, missed and arranged to settle a bill for the classes that would approximate \$25. The disturbance call was answered by Motor Patrolmen Earl J. Roesch and Thomas A. Lawler and Sgt. Daniel J. Lister, while Roesch and Lawler arrested Barrie at the Merchants hotel after the warrant was issued.

Rotary Club's Age Given Touch Of Realism at Birthday Party

Pottstown Rotarians had a rousing 30th birthday party at the Elks home last night.

There was the usual dinner, singing and general fellowship, plus a comic touch that touched off the celebration with a round of belly laughs.

Six of the veteran club members, decked out with a variety of beards, sideburns and limping along feebly on crutches, walked across the front of the hall, personifying the venerable years of the local Rotary.

They were Charles J. Custer, Irvin W. Riegner, Edward D. Gadebrod, Robert W. Evans, George M. Longaker and Isaac Miller.

Just to make them feel really antique, the 90 Rotarians and guests serenaded them with "Grandfather's Clock."

P. MacGregor Allen for 19 years a member of the Sofia, Bulgaria Rotary club and a YMCA official in that nation, was the guest speaker.

He presented the group with a

Negro Escapes Chair For Good After 11 Tries

MONTGOMERY, Ala., Feb. 19 (P) —Negro Lawrence Nathaniel Phillips beat the electric chair again tonight—this time for good.

After postponing the convicted slayer's execution 10 times in less than a year, Gov. James E. Folsom finally commuted the sentence to life imprisonment.

The 22-year-old Phillips was to die in Kirby prison's electric chair shortly after midnight for the hammer slaying of Henry Louis, Chinese laundryman, in Gadsden, Ala., in 1945.

Folsom gave no reason for his decision.

Nine times before that the governor had granted stays of execution, once after the Negro had eaten his "last meal" and his head had been shaved in preparation for the chair. Phillips originally was to have died the past March 14 after the State Supreme court upheld his sentence.

President Orders Aid For Flooded Areas

GREENWOOD, Miss., Feb. 19 (P) —A flood crest approached here today and with it came news that President Truman has ordered Federal relief for stricken areas in Mississippi.

Mr. Truman asked Maj. Gen. Philip Fleming, FWA administrator, to provide surplus properties immediately to help the homeless.

More than 400,000 acres of cotton lands and timberlands have been inundated on the flooded Yazoo river, and an additional 190,000 acres in the high water path.

At Greenwood itself a levee completely carries the city, but about 400 families from lowlands to the north have found refuge at a nearby Army air base.

Three Actors Injured In Car-Truck Crash

READING, Feb. 19 (P) —Three professional actors, heading from Charleston, W. Va., to New York, were injured today when the automobile in which they were riding collided with a tractor-trailer on Route 22 one mile west of Reading.

Treated at the Reading hospital were Milton L. Wood, 30, of Charleston, driver of the car, Jacqueline A. Levi, 24, of the Bronx, N. Y., and Charles A. Henderson, 18, also of Charleston. All suffered cuts and bruises and Henderson injuries of the right ankle and knee.

Carmen Torre, 38, Belleville, N. J., truck driver, was uninjured.

Private John Han of the Ham-burg substation of the State police, said the auto ploughed into the rear of the truck and was a total wreck. Damage to the truck was estimated at \$300.

118 Government Workers Named as Speculators

WASHINGTON, Feb. 19 (P) —Secretary of Agriculture Anderson made public today the names of 118 additional government employees, who, he said, speculated in commodities during 1946 and 1947.

The names were reported to the Senate agricultural committee which has been investigating trading to determine whether government "insiders" have profited through speculation.

So far, upward of 1000 government employees have been listed as commodity speculators.

Guerrillas Shell Town Near Yugoslav Border

SALONIKA, Feb. 19 (P) —Edessa, a town in northern Greece on the Yugoslav border, was shelled for 20 minutes today by a guerrilla band, a third army communique said.

One woman was reported injured. The communique said 24 mortar shells were fired, some of which hit near Greek military barracks.

Greek forces returned the fire and the guerrillas fled.

The army also reported that 150 guerrillas were killed and 148 captured in the three days of fighting.

All had been cited to appear before the board for failure to comply with board orders for setting up plans for waste treatment.

Jurors Told Youth Revealed Killing Boy

CHICAGO, Feb. 19 (P) — Three young playmates of 13-year-old Howard Lang, testified today he told them he killed Lonnie Fellick, seven, but that they didn't believe it.

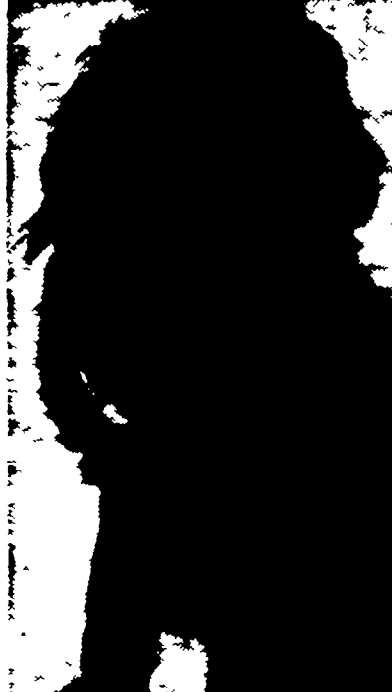

Lang's case, that of the youngest murder defendant in Cook county (Chicago) history, is expected to go to the jury tomorrow. The prosecution has indicated it will not seek a death sentence.

Lonnie Langfield, 17, a friend of Howard's, testified in the criminal court of Judge Daniel Roberts that Howard told him and two other friends he had killed Lonnie.

Lang was slain Oct. 18 in Thatcher woods, a forest preserve. He had been stabbed and a block of concrete had smashed his face.

Pastor to Observe 25th Anniversary At Two Services

Rev. Daniel A. Draper, pastor of the Zieglerville-Trappe Evangelical Congregational church will celebrate his 25th anniversary of the Christian ministry at special services in both churches Sunday morning and afternoon.

Services will be held in the Trappe church at 10:30 o'clock with the Rev. J. A. Smith, presiding elder of the Eastern District conference, as the guest speaker. Special instrumental and vocal numbers will appear on the program.

The 2:30 o'clock afternoon service will be held in the Zieglerville church with the Rev. Smith as the speaker.

The Rev. Draper came to Zieglerville to serve the present charge in May, 1944. Prior to his present ministry, the Rev. Draper served congregations at the Williamstown and Reiner City churches; at Plymouth Meeting; Greentown and Conestoga; Mahanongo charge, Pittman, and at Weissport.

Before entering the ministry he was a reporter for a newspaper in Mahanog City.

Cab Company Loses Money; May Withdraw

PITTSBURGH, Feb. 19 (AP)—The strike-bound Yellow Cab company today hinted it might withdraw its service from Pittsburgh if it "continues to lose money."

A spokesman for the firm said a loss of \$143,000 had been sustained by the company in 1947 and another \$20,000 was lost in January, 1948.

"Such losses are too great to continue," he said.

Some 1100 drivers members of Local 128, AFL-Teamsters union, went on strike the past Sunday for a 9 percent commission increase. Drivers currently get 45 percent of the meter receipts.

Ex-Party Members Says U. S. Reds Receive Instructions From Soviet

NEW YORK, Feb. 19 (AP)—The American Communist party continued to receive instructions from the Communist international in Russia after 1940 although it had announced a break with the international in that year, a former party official said today.

George Hewitt, one-time member of the Communist party national committee, made the statement in testimony at an Immigration Service hearing on a Greek-American deportant on hearing for a Greek-American newspaperman.

He declared the party announced it had broken its affiliation with the international so "the American people would be allies of Russia" in the event, both nations were drawn into World War II.

The instructions from the Soviet Union sometimes were brought by a man named "Eisler," Hewitt testified. He did not further identify the man but possibly meant Gerhart Eisler, described by a House committee as America's "No. 1 Communist." Eisler now is held at Ellis island on a deportation warrant.

Hewitt also told of seeing 300 Communists practicing "warfare and how to set up demonstrations and other things" on exercises at party headquarters in New York.

The witness appeared for the government at a hearing on charges against Peter Harnack, 44, staff writer for the Greek-American Tribune, a New York weekly publication.

Harnack, a resident of this country for 32 years, is accused of belonging to an organization advocating overthrow of the U. S. Government by force. Immigration Service officials have said the organization is the Communist party.

A long-time woman Communist party member, arrested yesterday on a deportation warrant by Federal agents, asserted that she was being "persecuted" for my political opinions and for my long activity in the labor movement.

Mrs. Josephine Siskins Johnson, 44, former promoter on manager for the recently suspended publication New Masses, told a news conference. This is my country. I know no other country. It has been my country since I was a little girl. I was educated here.

She said she came here from Poland with her family in 1912 and had been active in the Communist party since 1919. Two applications which she made for citizenship were turned down she said.

Mrs. Johnson was freed on \$1000 bail pending a hearing on the deportation warrant.

Average rainfall over the United States is 30 inches a year.

Court to Make Study Of Penny Pitching

NEW YORK, Feb. 19 (AP)—Is penny pitching a game of skill or chance? Magistrate Morris Rosenbergs said today he would take two weeks to figure out the answer.

The legal problem was raised after a New York executive Joseph L. Jone spent \$240 pitching pennies to win one pack of cigarettes—in the line of duty, and the interests of detection, of course.

"Pure" a game of skill," said Reuben Koenig, attorney for the defendant, Irving Shapiro, operator of a penny-pitching concession at a Manhattan amusement house "You improve as you go along. Like golf, it requires skill."

"A matter of luck," retorted Assistant District Attorney Oscar Conner, and as such, gambling.

Jone said he won a second pack after pitching away \$240 in pennies. But, he added hastily, it was "pure luck."

Woman Who Defrauded 28 Persons Sentenced

PITTSBURGH, Feb. 19 (AP)—Mrs. Pauline Pinner, 20, who pleaded guilty to defrauding 28 peat shop operators, night club operators, girls and sales girls, has been sentenced to from two to 23 months in jail.

Mrs. Pinner told Judge William H. McLaughlin she "borrowed" money after falsely representing herself as having friends in common with her victims. She obtained a total of \$368, none of which was returned.

U. S. Airmen Report Vapor Trail Behind Explosion in Sky

RAPID CITY, S. D., Feb. 19 (P)—Crews of two B29 planes said today there was a vapor trail behind a "ball of fire" before it exploded Wednesday in the sky somewhere near northwest Kansas.

The B29 fliers said they first saw the fireball, trailing vapor, while 10,000 feet over Lamona, Colo. They estimated its location as 100 miles southeast of their position and its altitude as "much higher" than the planes.

Capt. Howard B. Beron Bennett, Jr., and Lt. Leonard P. Marrese, New York City, quoted the ships. They were on routine flight and returned to their base at Weiser air field here last night.

The fliers said they saw the ball of fire explode. A huge multi-colored ball hung in the sky for a brief time, followed by a dense cloud, the B29 crewmen reported.

An hour after the explosion, the cloud of smoke was still visible, high above the planes. The fliers fixed their position at that time as "directly east of McCook, Neb." The smoke cloud was 50 to 75 miles south of the ships, they estimated.

Marrese said the ball of fire "was totally unlike anything I've seen."

Reece Says Wallace Splits Democrats

DENVER, Feb. 19 (P)—Henry Wallace has started to pull the "splinter" elements from the Democratic party, Carroll Reece, Republican national chairman, said today.

This was demonstrated, he said, at a press conference by the victory of Leo Isaacson in a special Bronx, N. Y., congressional election. He was backed by Wallace.

He included under "splinter" elements the South, city machines and the CIO-PAC.

Reece, here for a western Republican conference said the New York vote showed the Democratic party had been "made up of a group of splinter parties."

Wallace will get 95 percent of this vote, the Republican chief predicted.

"I don't think he will carry any states," Reece continued. "Neither will Truman, outside the South." (President Truman has not announced that he would be a candidate.)

HOSPITAL BIDS FORWARDED—BALTIMORE, Feb. 19 (P)—Complicated bids for construction of a 450-bed veterans administration hospital at Wilkes-Barre, Pa., were forwarded to Washington today for review by the Army's chief of engineers and the VA.

Two Die in Huge Avalanche

A tremendous pile of snow, moving 2000 feet down Sourdough Mountain near Concrete, Wash., struck Ross Dam Construction Camp (above) and killed two persons. Four other occupants of the houses were injured. When one cabin struck another a fire broke out. It threatened to destroy the camp before it was brought under control.

Four Veterans Groups Report Backing of UMT

WASHINGTON, Feb. 19 (P)—Four rival veterans groups today agreed unanimously on one subject—universal military training.

At an unprecedented joint meeting, the four organizations approved a single statement urging immediate action on the bill approved by the House armed services committee. It has been pigeonholed for months by the House rules committee.

The four veterans groups are the American Legion, Veterans of Foreign Wars, Disabled American Veterans and Amvets.

OKAYS CROSSING CHANGE—HARRISBURG, Feb. 19 (P)—The Public Utility commission today authorized the Reading railroad to change its type of protection at a grade crossing in Center township, Berks county.

PITTSBURGH BUSINESS DROPS—PITTSBURGH, Feb. 19 (P)—Business continued its decline in the Pittsburgh area the past week, Pittsburgh university's bureau of business research reported today.

Chinese Admit Communists in Control Of Anshan, Manchurian Steel Center

PEIPING, Feb. 19 (AP)—Virtually complete loss of the steel city of Anshan to Communist storm forces was acknowledged today by pro-government Chinese dispatches from Manchuria.

The Communists, who had besieged the city 50 miles southwest of Mukden for several weeks, broke into it in overwhelming numbers. They drove the bulk of the garrison into the northwestern suburbs, where fighting still is in progress, the accounts said.

Isolated groups of government troops were making stands in various parts of the city.

Once a major steel producer for the Japanese, Anshan was heavily damaged by American B29 bombings during the Pacific war. Much of its machinery later was removed during the Russian occupation, and recent production has been negligible. It was potentially important to the Chinese economic plans, however.

Its loss also tightens the isolation of Mukden, Manchuria's biggest

city, and renders remote the possibility of developing a supply route to Mukden via the seaport of Ying-kow.

Scattered small-scale clashes continued in the immediate vicinity of Mukden itself, but government reports emphasized that the Communists were merely making hit-and-run raids.

(In Nanking there was a report of a new Communist threat in the far south of China. Chen Ke-Wen, chief accountant of the executive Yuan, told Chinese reporters on his return from Kwangsi province that 4000 Communists had seized the town of Chungsi on the Indochina border and were extending their control area rapidly.)

TREASURY BALANCE

WASHINGTON, Feb. 19 (AP)—The position of the Treasury Feb. 17: Receipts, \$309,188,961.12; expenditures, \$154,434,563.23; balance, \$4,232,223.38; 45; excess of receipts \$4,348,226.77; 25, total debt, \$254,765,930,119.23.

Engaged

An instructor at the Margaret Morrison Carnegie college, Aletha Ruth Rowe (above), 25, of Pittsburgh, will marry Reginald Johnson, 22, a retired professor of modern languages.

RIDGE ROAD

The home of Mr. and Mrs. Harry Cook, Kenilworth, was the scene of a surprise shower recently which was given in honor of Miss Eva Cook of Pottstown RD 2, who is the future bride of Lee Shepherd. Members of the Girls' guild of Brownback's church who were present at the party and the business meeting that followed included Mrs. Rupert Miller, Miss Verna Buoss, Miss Irma Eppheimer, Mr. and Mrs. Howard Eppheimer and daughter, Margaret, Mrs. Robert Palmer, Miss Betty Keeler, Mrs. Lewis Cook and son, Mr. and Mrs. Fred Cook and sons, Mr. and Mrs. Samuel Hunsicker, Mrs. Wesley Cook, Miss Marjorie Butterworth, Miss Eva Cook and Mrs. Lloyd J. Sandi.

Miss Ruthann Powell, Bridge street, Spring City, entertained members of the young Women's class of the East Vincent church at her home recently. Miss Helen Lattin was co-hostess.

Plans were made for the annual Mothers' and Daughters' banquet. The Easter egg hunt and several other proposed projects were discussed.

The class husbands will be en-

tertained at a covered dish supper at the June meeting. Mrs. Merrill Hildebrand conducted devotions. Miss Ruth Gow received the gift of the month.

Present were Mrs. R. Harry Graham, Mrs. Harry M. Graham, Mrs. Frank Taylor, Miss Anna Yeager, Mrs. Ruth Gow, Miss Eleanor Gow, Mrs. Lloyd Mourer, Mrs. Wilford Powell, Miss Catherine Funk, Mrs. Robert E. Funk, Mrs. Merrill Hildebrand, Mrs. Boyle Irwin Jr., Mrs. Purman H. Giger Jr., Mrs. Paul D. Barion, Mrs. Donald Revocade, Mrs. Edward Jensen, Mrs. Ralph Powell, and the Rev. Robert E. Barion.

Bobby Duffell, oldest son of the Rev. and Mrs. R. Purman Duffell, Bridge street, is quarantined at his home with an attack of scarlet fever.

The girls at Bethel Methodist church were occupied Sunday morning by Cornelius Schoonyngen, a student at the Eastern Baptist seminary. Howard Taschner presided over the service. In the evening, Dr. John Herr, superintendent of the North-western district of the Philadelphia conference, presided the sermon and later conducted the

fourth quarterly conference of the church.

Miss Helen Schaeffer and Edgar Ness, both of Emmaus, were Sunday guests of the Rev. and Mrs. Lloyd J. Sandi, Brownback's Corner.

Two Pennsburg Men Named Defendants in \$11,000 Court Action

By Staff Correspondent

NORRISTOWN, Feb. 19 — Two suits for damages totaling \$11,000 have been started in the pro- ceedings office as a result of an accident the past Nov. 12 on Route 665, Perkasie Heights.

In the first action, Oswald P. Katzevan, Upper Merioner, a.s. \$1000 in damages from David and J. Samuel Levin, Pennsburg, and in the second suit Florence Pasg, Pennsburg, seeks \$10,000 from the same defendants.

Other proceedings started in- clude:

Edward Witte, Perkasieville, against Vernon Wardle, Green Lane, for \$333.28 for construction work.

Charles E. Schuster, Jr., Penns- burg, against Lloyd M. Walker, Jr., Pennsburg RD 1, for \$312.92 for auto damages in an accident on Ridge pike, Linmerick, March 6, 1947.

Pennsylvania Machinery company, Philadelphia, against Nicola Duro- centi, Royerson, on a claim for \$378.38.

Borough Briefs

Meter receipts for the past week totaled \$789.72. This included the bi-weekly collection from the King street parking meter.

Borough mail carriers were de- livering yesterday a coupon as the first 4:30 o'clock parcel was as- signed. Prior to yesterday, par- cels were picked up on the first and 16th of the month at 2:30 time.

Laborers are paid every Tues- day, under the new set-up, while salaried employees pick up their money every other Thursday, a con- vention.

Engineer Is Killed in Train Accident

KITTANNING, Feb. 19 (AP)—One railroad worker was killed and another injured today at nearby Templeton when an extra Pennsylvania freight train crashed into the rear of an- other freight.

Killed was Harry Diers, about 60, of Oil City, engineer of the ex- tra train of about six cars. His body was derailed and he was burned in the wreckage. A rescue party worked about six hours to free his body.

Coroner C. M. Woodward of Arm- strong county said Diers died of a crushed chest and of burns from escaped steam. Injured was Diers's fireman, Edward J. Platt, 21, also of Oil City. He was taken to Kittan- ning hospital suffering from shock.

PRINTING OFFICIAL DIES

EASTON, Feb. 19 (AP)—Channing P. Derr, 56, president of the John S. Correll Printing company here, died today at his home after a lengthy illness. He was a native of Lewisburg.

Youths to Discuss Atomic Age Topic

Boys and girls of high school age are invited by the Hi-Y club to at- tend a discussion group tonight on the subject, "Will I Be a Leader in the Atomic Age?"

The group will meet in the sec- ond floor clubroom of the YMCA at 7 o'clock, under the direction of James F. Baird Sr., director of boys' work.

Baird said of the meeting, "This subject should be one of vital in- terest to all because we so often hear speakers and leaders of youth make the statement that 'the future' of the world is in the hands of youth."

Bulgarian Refugee Says Reds Training U. S. Traitors to Take Over Government

WASHINGTON, Feb. 19 (P)—George M. Dimitrov, a refugee from Bulgaria, told Congress today he is dead certain "American traitors" are being trained in Russia to take over the U. S. government.

New Irish Premier Promises to Back Marshall Aid Plan

DUBLIN, Eire, Feb. 19 (P)—Prime Minister Eamon de Valera today said his new five-party government would help the Marshall plan by exporting more food to Europe.

The grey-haired Dublin lawyer who yesterday broke Eamon de Valera's 16-year rule told reporters in an interview the change in Eire's government would not affect relations with other countries.

But our plans for greatly increasing Irish farm production should bring even closer economic ties with Britain and the rest of the world," he said.

"I am sure Eire can increase her contributions to the Marshall plan by exporting more food, once our program gets under way."

"We all have a great admiration for the efforts of the United States to share her abundant resources with the rest of the world because she wants to do as much as she can."

Asked if he would accept the invitation for Eire's prime minister to attend Saint Patrick's day celebrations in New York, Costello said he was not certain he could spare the time from his new duties but that he would consult the cabinet on the matter.

The new prime minister said Eire's present loose relationship with the British Commonwealth would "be left as it stands at the moment."

"More serious matters take precedent," he said.

His own United Irish party favors closer ties with Britain, but his new design minister, Republican leader Sean McBride, campaigned on a platform of breaking the few remaining ties.

Such policy differences "will be left in abeyance" while the coalition government struggles with economic problems, Costello said.

He scoffed at opposition critics who say his odd collection of parties will not be able to hold together long. He said a coalition government was an "experiment" for Eire, but that he was "extremely confident" all his ministers would cooperate to improve economic conditions.

Last of 'Oldest Twins' Dies in South Dakota

WAUBAY, S. D., Feb. 19 (P)—Day county's claim to the nation's oldest twins terminated here this week in the death of Mrs. Annie Anderson. Three months earlier, to the day, her 90-year-old sister, Mrs. Elizabeth Steel, died at her home at Butler.

Mrs. Anderson's death occurred Tuesday at the home of Louis Ross, her residence since her husband, James Anderson, died in 1929 at their homestead three miles south-west of here.

Born in Dakota territory in the early 1850s, they were born in Derry county, Ireland, June 8, 1857, and celebrated their 90th birthday together a year ago.

NEW BERLINVILLE

Members of the Liberty Fire company of New Berlinville attended services in the Zion's church in a body the past Sunday. The group attended in honor of their gift to the church, a new organ.

A number of young people enjoyed a bus trip to New York City recently.

Mr. and Mrs. Lawrence Haas and son, Lee, have gone to house-keeping in Worman.

The Moyer and Eisenhard families entertained visitors recently.

Owen Henry, of Albright college, Reading, spent the weekend with his parents, Mr. and Mrs. Isaac Henry.

Mr. and Mrs. Randolph Henry entertained visitors Sunday.

The birthday social of the Zion's church and Sunday school will be held tomorrow night in Odd Fellows hall in Boyertown, and not as previously stated.

Mr. and Mrs. Miller Sr. and son, Rodney, Mr. and Mrs. LeRoy Shane and children, David and Mary Elizabeth, and Mr. and Mrs. Charles Miller Jr. and daughter, Donna Marie, visited Mr. and Mrs. Eimer Reichelster in Stone.

Margaret, a queen of Scotland in 1288, ordered fines for eligible men who refused marriage proposals from eligible women in leap years.

Dimitrov

WASHINGTON, Feb. 19 (P)—George M. Dimitrov, a refugee from Bulgaria, told Congress today he is dead certain "American traitors" are being trained in Russia to take over the U. S. government.

"America is Communist target number one," he told a House un-American activities subcommittee.

Dimitrov fled from Bulgaria in 1945 after living for three months under the protection of Maynard Barnes, then U. S. political representative in Sofia.

He said he still is head of Bulgaria's biggest political party, the Agrarian union. He told the Congressmen that the Communists pronounced an unofficial death sentence on him because he would not co-operate with them.

And, he warned, the Communist party in Bulgaria, the United States, Russia and all other countries are only branches of an international conspiracy "under control of Moscow."

Bulgarian Reds, Dimitrov said, have set up organizations in this country and a newspaper in Detroit. That prompted Rep. McDowell (R-Pa) to recommend that the postmaster general "examine some of these papers that are spreading treason in America."

McDowell said that General Tito in Yugoslavia and Premier Jorge Dimitroff of Bulgaria were Moscow trained for their jobs. He asked the witness:

"Would it be your guess that American quislings are being trained for similar duty in event the Communists take over?"

"I feel absolutely sure they are," Dimitrov answered.

McDowell said he understood Dimitrov to mean that "American traitors are being trained to take over and direct our government."

"Yes, I do," the refugee replied.

And, he said, he understands the Communists plan crueler treatment for America than for any other country because it is rich and "the fortress of democracy."

Even before Germany was defeated, Dimitrov said, the Communists were turning against western allies. He quoted a Soviet representative as telling him:

"The end of the conflict with Germany means the beginning of another with the western plutocrats. No victory will have been won by us until the heads of the British and American imperialism have been smashed."

The union said it is seeking a 29 cents an hour raise now, with additional increases later to meet minimum family budget standards indicated by the Bureau of Labor Statistics.

Woman Brings Home Second Set of Triplets

SYRACUSE, N. Y., Feb. 19 (P)—Mrs. Margaret Walker and her second set of triplets rode home from the hospital today in a borrowed green limousine.

And the 40-year-old mother of nine was so glad she cried when she saw her first triplets, now nearly five years old. The new ones, Mary, Margaret, and Martin, were born within eight minutes 13 days ago.

Papa Michael Walker and neighbors had a newly-painted bedroom ready at the Walkers' modest home.

DOES THINGS TO YOUR HANDS

You begin to enjoy the glamour of smooth, alluring hands the minute Wood's Cream touches your skin. Gives a soft, velvety, youthful texture to rough, chapped, toll-worn hands. Delightful to use. non-sticky. non-greasy. Vanishes quickly, leaves no film. Use it on arms, neck and face, too; superb as a powder base. The most satisfying and economical skin beautifier you ever used. Get your money back. Get it in all sizes at Wood's, 141 High St., Pottstown.

TRUMAN —

(Continued From Page One)

Negroes equal opportunity for work. A Southern governors' committee will come here Monday to "lay their case" before Chairman McGrath of the Democratic national committee.

Listeners read only two possible though indirect references to Henry A. Wallace's third party effort. One was when the President said:

"The party system prevails in this country. I believe in it and have confidence in it. It constitutes the most effective means of presenting the issues of the day to the American people."

Another instance they cited: "Progressive liberals will rally to the Democratic party, even though they do not happen to be members of the party, because they know that the Democratic party is their best fighting force for the triumphant achievement of worthy goals."

Mr. Truman went to the Mayflower hotel for his main address after dining at a Stetler banquet, set up to care for an overflow audience — a \$100 a plate. Dinner officials called it a sell-out, with 2900 guests at both places.

After re-outlining his ten-year program as assisting farmers, workers and business men had profited far more under recent Democratic administrations than under their predecessors, Mr. Truman came to the price question.

"I want business earnings to grow as our whole economy thrives and prospers," he said. "But we know from experience that profits based upon excessive prices and inflation are built upon sand. The structure will crumble if the foundation is not made firm."

"In the interest of business as much as any other group, we must win the fight against inflation to avoid disaster. In the interest of business as much as any other group, we must make the next ten years a period of extraordinary achievement."

It was not all sunshine and roses for the Truman forces as several Dixie groups canceled their dinner plans. They want no part of the President's proposals for anti-poll tax, anti-lynching, anti-segregation, and no-civil-disobedience-in-employment legislation.

Mrs. Olin D. Johnston, wife of the South Carolina senator, said she would not attend "because I might be seated next to a Negro." Gov. and Mrs. Strom Thurmond of South Carolina previously had canceled.

the institution for the courses they took. Participation on the part of the teachers would be voluntary.

It was the only suggestion on the type of training to be made from the floor.

Grace E. Hill, an elementary school teacher, suggested each ballot determining the choice of program be marked as to whether the teacher submitting it is from the elementary or secondary schools. This suggestion was adopted by the group.

Both Miss Ludwig and Mrs. Swinehart will become members of the association.

On the in-service teacher training program committee, they will join school board members Earl J. Reichenauer and Dr. Gustave W. Weber, as well as Dr. Frank M. Halston, superintendent of schools.

MAN KILLED IN COLLIERY
SHEENANDOH, Feb. 19 (P)—Buried under a fall of coal, Walter P. Chuchuk was killed today at the Packer No. 2 colliery of Locust Coal company.

Starting Over

Leaving the Tehachapi, California Women's prison after serving slightly more than two years, Mrs. Irene Mansfield announced that she was going home to start life anew. A former San Francisco socialite, Mrs. Mansfield was sentenced for the fatal shooting of Mrs. Veda Martin, a trained nurse, she accused of stealing the affections of her husband.

TAX LAUGHS —

(Continued From Page One)

On the income tax blank there is a space which says:

"Do not write in this space."

And a Burlington, Vt., man had angrily written across it:

"I will write where I damn please."

Thereby proving it.

And the Des Moines old maid, One tax blank question: "Were you married in 1945?"

She answered: "No, darn it!"

the third floor doors and prepared to welcome the general.

First, Gen. Patterson introduced out-of-town dignitaries. Then Capt. Charles Kramer, head of Canton 6, introduced the elective officers of the canton. Then Osborne Jeffries, former canton head and now a brigadier general, introduced some of his staff and finally Patterson introduced more dignitaries.

An auxiliary drill team of 12 members directed by Margaret Moyer, officer of the day in the auxiliary, went through its paces as the audience lining the walls kept unbroken silence.

Maneuvers were mostly by groups of three abreast and were fairly expert to make a drill sergeant's eyes bulge.

Col. Roy Traker, of Kansas, aide to Wheeler, spoke briefly; Lady Sue Teger, of York, president of the Pennsylvania auxiliaries, also spoke briefly, and then Patterson introduced Wheeler.

"I plan to visit each department in the United States," he began, launching his remarks into a detailed account of the trip which has brought him from Plattsburg on Jan. 29 to Pottstown last night.

Giving a brief report of each canton he visited across the nation, the general observed that most were "going forward nicely."

He had words of commendation for Maryland, however, as he noted that the department there has no legal department. "I ask you to give unlimited energy toward getting Maryland a legal department," he urged.

He also plumped for large attendance at the national meeting of Patriarchs Militant in St. Paul, Minn., next September.

Closing, he remarked that "the co-operation on this trip proves that this will be a banner year for the P. M. branch. I know the Pennsylvania department will show a gain. Good luck."

The meeting ended shortly after midnight. Prior to the talks a moment of silence was called for Elizabeth Zellers, of Parkersburg, former president of the state auxiliaries, who died the past month.

group some of the characteristics of the Slavic nation where he lived for 19 years.

These included, he said, individualistic thinking, tolerance, earthy humor and "the ability to live luxuriously, to enjoy life without always rushing."

The speaker concluded, "Rotary is an idea that works to bring humans together. It doesn't ask for uniformity of race, language or belief — but it does ask us to recognize common aims. The welfare of each is the welfare of all."

Andrew E. Vaughan Jr., past president of the Pottstown Rotary club and past district governor, was master of ceremonies.

He introduced past district governors Charles F. Puff Jr., Henry N. Schramm, Samuel L. Shannahan, Ralph E. Springer, H. Leonard Pater, George S. Derry, Ralph S. Dunn and Walter A. Schrempf, as well as the present governor of District 179, Charles S. Swope.

Herbert S. Eades, past president of the local Rotary, introduced Custer, the only active charter member, and Frederick T. Cadmus, a charter member but now an honorary member.

BALLET PROGRAM —

(Continued From Page One)

porting cast performing in a bright and jewel-like manner.

The concluding "Settler's Sunday" was the star's biggest bid for popularity with the audience. During the "Western" story that was unfolded, Mia Slavenska was a shy country girl — flirtatious yet coy, awkward yet whimsical. The number provoked both mirth and applause. It was brilliant, salar, without rancor or bitterness.

A word of congratulation must go to the two accompanists at the two concert grand pianos. Their work was splendid, and perhaps the most arduous of the company.

The actual staging of the show was more than satisfactory. When one company number was changing, another danced, or the accompanists would fill in a brief lull. There were none of the long waits that often settle over "classical" ballet although the word classical itself is an almost uselessly vague word.

It would be better to avoid the word altogether, and to summarize by saying it was a delightful evening of varied, colorful and wholesome entertainment by a good ballet company and a prima ballerina who can dance any type of number with the best of dancers.

Congratulations to the Community Concert association for bringing the company to Pottstown. The last time I saw Mia Slavenska I paid \$1.50.

HOW A & P GIVES YOU LOWER FOOD PRICES!

During the past week you have noticed lower prices on many important food items in your A&P stores. These prices are a direct reflection of the reductions in the market cost of the food to us. Many of our customers are amazed to find these price reductions going into effect so quickly at the retail level. They wonder how we do it. There is no mystery about it. We are able to reflect these market reductions promptly because of three basic policies.

First—we endeavor to buy our food from primary sources of supply such as farmers, meat packers and grocery manufacturers and move it directly to our stores and warehouses. This keeps down the cost of distribution to us and the price to you at all times.

Second—when the cost of food to us goes down we do not wait until we have exhausted supplies on hand but endeavor to reflect reductions in our retail price promptly.

Third—we are food merchants, not food speculators. We do not build up great reserves of food at any time. We are in the market day to day buying food to meet our customers' day-to-day needs. The lower prices you are finding in A&P stores coming as they do at a time when all of us are concerned with the high cost of living have prompted many of our customers to ask us what the food price outlook is. Are there going to be future price reductions in these and other foods?

Frankly it is impossible for anyone to predict future retail food prices without knowing whether the current break in the commodity market is temporary or the beginning of a general trend. Grocers do not control the price. They must pay for food. They can lower retail prices only to the extent to which they buy wisely, keep their own costs and profits down, and pass along savings resulting from lower wholesale prices to their customers.

We base our retail price on the cost to us plus our low cost of doing business including our small profit of about one and one-half cents on each dollar of sales. Therefore we can say A&P prices will follow the market trend and that any further reduction in the cost of food to us or in our costs of doing business will promptly result in lower prices in our stores.

You can count on A&P to give you lower prices whenever and wherever it is possible. You can trust A&P to give you the most quality food for your money.

Chilean Ships Near Antarctic to Meet Argentine Vessels

BUENOS AIRES, Argentina, Feb. 19 (P)—The commander of the Argentine fleet enroute to disputed Antarctic islands was quoted today as saying it was probable he would hold a rendezvous with Chilean warships.

The Argentine high seas fleet is now at Ushuaia capital of Tierra Del Fuego territory just north of Cape Horn.

Porcino Santiago news agency correspondent, said Rear Admiral Baralo Capois, commander-in-chief of the Argentine high seas fleet, told a news conference Chilean President Gabriel Gonzalez Videla would not be aboard one of the Chilean ships when the rendezvous is held in Polar waters. He said the fleet's immediate destination was Deception Island in the South Shetland group which Britain claims is one of her dependencies administered from the Falkland Islands.

The Chilean Corvette Codadonga also is enroute to Deception Island.

Dispatches from Santiago, the Chilean capital, reported however that Gonzalez Videla had transferred from the Codadonga to the transport Pinto.

The dispatches said he intended to leave for Punta Arenas on the Chilean mainland as soon as a heavy storm abated at Port Sovereignty, Greenwich Island.

Gonzalez Videla yesterday visited Grahamland, which the Chileans call O'Higginsland after their national hero, on the Antarctic mainland where he again proclaimed Chilean sovereignty and inaugurated a second Antarctic military base for Chile. He already had visited Greenwich Island in the South Shetlands where he re-informed a claim raising the Chilean flag and decorating seven men who have occupied a base there for the past year.

Ushuaia dispatches said that maritime village on one of the straits linking the south Atlantic and the Pacific was being transformed into a large naval base. It has a good anchorage. The population turned out at 4 a. m. the dispatches said, to witness the departure of the fleet for Deception Island. The flagship is the cruiser Venturino de Mayo.

50 TRAIN CARS ORDERED
PHILADELPHIA, Feb. 19 (P)—The Pennsylvania railroad's Altoona shops has been authorized to build 50 double-deck commuter cars for the Long Island (N. Y.) railroad at a cost of \$7,150,000.

It is estimated that one-sixth of the rain that falls on the United States is absorbed by vegetation or sinks into the ground.

Tobey Says High Price Peak Passed

Sen. Charles W. Tobey (R-NH) points to grocery prices advertised in a Washington paper as he discusses his statement that because of price drops Congress will probably delay indefinitely action on bills to control living costs.

PTC Files Request For Increase in Fares

HARRISBURG, Feb. 19 (P)—The Philadelphia Transportation Company today asked for \$6,500,000 in increased fares to finance a recent wage boost and rising operating costs.

A petition filed with the Public Utility Commission fixed March 21 as the effective date for the proposed fares.

The new rates will automatically go into effect unless the PUC orders a suspension for an investigation.

The company claimed \$5,500,000 was needed to meet a wage increase of 15 cents an hour and other concessions to 11,000 operating employees in the past week to avert a strike.

The new rates call for:

1. A 10 cent cash fare on trolleys and trackless trolleys.
2. A 10 cent cash fare on subway and elevated lines and on bus lines that have replaced street car lines.
3. A 12 1/2 cent fare on the basis of two tokens for a quarter on other bus lines.

Pigeon and Yo-Yo Cord Disrupt Power System

PASADENA, Calif., Feb. 19 (P)—A yo-yo is a harmless article, and so is a pigeon, but a combination of the two played hoo with the power system here for a few minutes today.

A lineman was called when lights went out in several residential sections. He found that the pigeon, its legs entangled in the yo-yo cord, had somehow managed to short-circuit the lines. The bird, apparently unharmed, was turned over to the humane society. The lineman kept the yo-yo.

OIL EXPORTS CUT AGAIN; COMPLETE BAN REJECTED

\$502,571 a Year

That's Not Much If You Say It Real Fast

WASHINGTON, Feb. 19 (P)—Louis B. Mayer, the film magnate, led a Treasury listing of top money earners tonight.

The movie industry provided more than two-thirds of the 195 persons listed.

LOUIS B. MAYER
\$502,571

Mayer drew \$502,571 from Leow's, Inc., during the 12 months ended August, 1945, the Treasury said.

Bevins Fun came Producer Walter Warner and Actress Deanna Durbin, both of Universal Pictures.

He got \$262,900, she drew \$262,875. The list was confined to persons drawing \$10,000 or more from corporations as salary or other pay. It covered varying 12-month periods between 1944 and mid-1945.

Taxes would take a big bite out of all the payments reported. A single person without dependents, for instance, would pay \$191,772 in Federal tax on a \$250,000 income.

In 10th, 11th and 12th place, respectively, were Clark Gable, \$229,687; Robert Montgomery, \$226,333; and Lana Turner, \$226,000.

Highest paid business men outside the movie field were Andrew Jergens and Joseph D. Nelson, executives of the Andrew Jergens company, Cincinnati. They used for sixth place, each with \$5000 salary-plus \$250,000 "commission."

Others in the top 12 were: Fourth and fifth, Stanley Morner, (Dennis Morgan), and Michael Curtiz of Warner Brothers, \$261,000 and \$258,600 respectively; eighth, John B. Hawley, Northern Ordnance, Inc., of Minnesota, \$230,000, and ninth, William Selter, Universal pictures, \$245,000.

Durbin \$262,875
Turner \$226,000
Gable \$229,687
Crawford \$200,000

13 Persons Killed In Palestine Fighting

JERUSALEM, Feb. 19 (P)—Nine Jews, two Arabs and two British soldiers were killed today in Palestine fighting.

Haganah, the Jewish militia, said the refugee ship Upright, with about 700 visaless Jewish immigrants aboard, was intercepted by the British off the Palestine coast. The announcement gave no details.

With the 13 dead counted today, the unofficial death toll in Holy Land violence since the United Nations voted Nov. 29 for partition rose to 1281.

The Palestine government announced yesterday the transfer of \$1,200,000 to the Moslem council under a new retroactive computation of "tithe."

China Withholds Support Of U. N. Military Force

LAKE SUCCESS, Feb. 19 (P)—The proposal for an international force in Palestine received another blow today when China indicated she would withhold her support.

WASHINGTON, Feb. 19 (AP)—The government cut exports of oil and gasoline by another 25,000,000 gallons to night to bolster scarce fuel supplies at home.

But the Commerce department twice refused congressional demands for a complete ban on shipments overseas. First it turned down one Congressman and then 16 others who backed him up.

The department cut its export quota by 599,000 barrels through March. This brought the total savings to 24 percent of the original January-February-March export quota. It resumed issuing export licenses which had been halted Tuesday for a world stock-taking survey.

But it rejected a renewed demand from Rep. Heselton (R-Mass.) of the House commerce committee — for a temporary embargo on shipments from any U. S. port, effective at once.

Heselton wired Thomas Blaisdell Jr., director of the Office of International Trade in the Department of Commerce, that such an embargo would be "practical method of building further reserves on the East coast."

Blaisdell's reply was brief. The only change to be made now, it said, is the cut in export quotas.

Heselton criticized the 599,000 barrels cut in exports as "totally inadequate."

Sixteen other members of the House commerce committee — chairman Wolcott of New Jersey and 12 other Republicans plus three Democrats — rallied behind Heselton.

They joined in a second demand for an embargo, to hold until Monday.

Undersecretary of Commerce William C. Foster gave them a quick turnaround also in a message to Wolcott.

He said an embargo, even a temporary one, would disrupt tanker and other transportation schedules and bring "serious consequences" all "without producing any addition to (oil) supplies in shortage areas."

The present embargo on shipments from the East coast — the worst shortage area — will remain in force until March 1. Tankers may sail from Gulf and West coast ports.

The ravages of a hard winter on home and factory oil supplies were reflected in the series of quota revisions.

In measured tones, K. P. S. Menon of India, the commission chairman, said:

"The Korean commission warned today that Korea may 'blow up' if the United Nations fails to unite the American and Russian zones."

The commission also said Korea has had a "raw deal" since the war ended and that Koreans of all opinions had told it the U. N. "is our last hope."

In measured tones, K. P. S. Menon of India, the commission chairman, said:

NAZI GENERAL SENTENCED TO LIFE IN PRISON

Wilhelm List Convicted
Of Balkan Atrocities;
Seven Others Get Terms

NUERNBERG, Germany, Feb. 19 (P)—An American military tribunal today sentenced Field Marshal Wilhelm List to life imprisonment for his acts as German commander in the Balkans.

Seven other high German military leaders also were convicted and sentenced. Two generals were acquitted.

The defendants were accused of being responsible for the killing of an estimated 63,000 hostages in Greece, Yugoslavia and Albania. Some of these killings, the court ruled, were mass murder.

The court conceded that most of the guerrillas who harried German troops in the Balkans "acted in compliance with the rules of war" and thus did not come under the protection of existing international law. Therefore those guerrillas could be executed summarily. But the Germans, the tribunal's opinion said, committed excesses and killed many innocent persons out of sheer rage.

Further the opinion set a precedent by sharply criticizing the all-American character of the Nuernberg war crimes trials. It reproached the "statesmen of the world" for failing to establish truly international tribunals.

There now is room, the opinion said, for some criticism that defeated generals tried by one victorious nation face "bias and prejudice."

List's close associate, Gen. Walter Kuntze, also was sentenced to life imprisonment.

Other sentences included: Gen. Lothar Rendulic and Gen. Wilhelm Speidel, 20 years.

Gen. Helmut Felmy, 15 years.

Gen. Hubert Lanz, 12 years.

Gen. Ernst Von Leyser, 10 years.

Gen. Ernst Dehner, Seven years.

Maj. Gen. Kurt Von Gertner and Gen. Hermann Foertsch were acquitted. All the defendants were charged with war crimes and crimes against humanity.

The decision was the sixth handed down in the trials conducted by American courts in Nuernberg.

Despite the advance of mechanization, more than 80 percent of the world's food supply is still produced by animal or human labor.

Less Black Coffee Consumed in 1947

WASHINGTON, Feb. 19 (P)—There was a sharp drop in hangovers in the United States the past year, according to the Distilled Spirits Institute.

The institute, an organization of the liquor industry, announced that Americans drank 22.6 percent less whiskey, brandy, gin and other distilled spirits than in 1946.

Nevada cut its drinking 45 percent to lead the country. Missouri was second with 44 percent, Nebraska third with 40 percent.

Only states with increases were Iowa, Virginia, Alabama, West Virginia and North Carolina, in that order. Iowa was up 22.3 percent.

GOP Leaders Say Rent Control To Be Extended

WASHINGTON, Feb. 19 (P)—Rent controls in their present form will be extended through March 31, Congress leaders indicated today.

A longer extension on providing some increases is slated to be approved before then.

This is the schedule outlined by Republican floor managers:

1. The House will pass by next Tuesday its stopgap bill extending the present law which expires Feb. 29. The rules committee cleared it for action today.

2. This measure is due to be accepted by the Senate before the end of next week without change.

By this arrangement Senate and House leaders gain added time in which to work out a compromise between their two longer-range bills.

Tomorrow the Senate opens debate on its measure which would continue controls 14 months beyond Feb. 29. One of its provisions permits abandoning ceilings on so-called "luxury" houses and apartments—that is, rents of \$225 or more per month.

Yemen Ruler, Three Sons Slain; New King, Government Set Up

CAIRO, Egypt, Feb. 19 (P)—Yehia Hamud, 22-year-old ruler of Yemen, three of his 16 sons, and a chief advisor are dead and a new king and government proclaimed, a dispatch from that Arabian kingdom said today.

The dispatch gave few details but Yemenite circles here expressed the belief the five had been killed in a coup d'etat as the result of one of the recurring plots among the king's sons.

A cablegram received by Dr. Mulkar Abdel Latif, who has commercial dealings with Yemen, said Sayed Abdulla Bin Ahmed El Wazner, one of Yemen's religious leaders and former first minister, had been elected Imam (Islamic leader), replacing Yehia.

The message added that Emir Seif El Hak Ibrahim, one of the sons who has been opposing the old king, had been chosen head of a "constitutional government."

A Yemenite source here said an advisor to Imam Yehia, Kaci Abdulla El Omari, also had died.

Dispatches from Aden, the British protectorate to the south of Yemen, said word of the Imam's death reached the crown prince at Taz, in the southern part of the country. He started with 180 soldiers for Hajja and Sana'a, the capital, but before he reached the Hajja post it had been occupied by forces of the new Imam, said the Aden dispatches.

The country was described as "quiet" now.

Nagub El Rawi Pasha, Iraq I delegate to the Arab league, said 60-year-old El Wazner had notified all Arab rulers of his succession.

FRANCE APPEALS FOR MORE CASH TO AID RECOVERY

Says Supply of Money
Running Low; Asks
\$150,000,000 From U. S.

WASHINGTON, Feb. 19 (P)—France is telling the U. S. that her dollar supply is running out and she needs \$150,000,000 from this country in a hurry—even before the Marshall plan can go into effect.

And similar, but not quite so urgent, pleas are coming from Italy, The Netherlands and Austria.

Government officials told of these developments today as a high congressional leader said the world's foreign aid situation threatens to become "a three-ring circus" unless the Senate and House get together.

The Capitol Hill leaders, who asked not to be quoted by name, said both Houses should figure out a timetable for action on the Marshall program for European recovery, the Chinese aid proposals and the Greek-Turkish military aid program asked by President Truman.

Secretary of State Marshall is scheduled to testify on Chinese aid before the House foreign affairs committee tomorrow.

Some lawmakers are pressed to ask why no military aid is planned for Generalissimo Chiang Kai-shek in his war against Chinese Communists.

Mr. Truman asked \$570,000,000, in civilian aid only, in a message yesterday. His proposals for strengthening Greece and Turkey against Communism are expected to reach Congress at any time.

As for European countries: French officials say their country will run out of dollars early in next few weeks.

Wallace Charges Martial Program By Administration

MIAMI, Fla., Feb. 19 (AP)—Presidential Candidate Henry A. Wallace said in a speech here tonight that the men in power "have been waging psychological warfare against the American people."

Addressing a crowd estimated at upwards of 8000 in Miami's Bayfront park, the former Democratic vice president said "This warfare has reached fantastic proportions."

Wallace said he could find no comfort at "sitting at home and hugging the very fine principle of the Marshall plan, while the martial plans are carried out."

He charged there is "nothing democratic about the armed forces" and said they practice segregation and discrimination.

Wallace asserted that the administration's Middle East oil policy is to protect the big oil interests and advocated that the United Nations control and operate oil production and distribution in that area.

The third party candidate said that while enjoying this "magnificent climate," he had enjoyed other pleasant rays of sunshine—from California where the "Independent Progressive party of California" won a place on the ballot, and from the Bronx, where Leo Isaacson, "the grand young man who was the Progressive candidate" was elected to Congress.

It was Wallace's third appearance in Florida. He spoke in Tampa Tuesday night after attending a meeting in St. Petersburg, where his brother resides.

Speaker

Dr. Alfred F. Haake (above), mayor of Park Ridge, Ill., consultant to General Motors corporation, lecturer and economist, will address the regular meeting of the Executives and Foremen's club tonight at 8:30 o'clock in the YMCA.

Mr. and Mrs. William S. Strohm visited Mrs. Amanda Strohm, Home for Aged, Souderton.

The Misses Mabel and Doris Renninger, Barbara Wentzel and Doris Hupp, accompanied by Kathryn Gelsy of Sanatoga, attended the performance of the opera "Carmen" at the Academy of Music, Philadelphia.

The local Scout Troop, under the leadership of Scoutmaster Henry Kulp, put on a woodturning exhibition at the recent Merit Badge show held in the Pottstown Armory. Scouts Jerry Hammel, Charles Lousdis, Neal Daub, Billy Stepp and Kenneth Hettrick demonstrated the art. Other scouts, their parents and friends attended the show.

Mr. and Mrs. Arthur Stauffer and sons, Spring City, spent Sunday with Mr. and Mrs. Harry Stauffer.

Mr. and Mrs. George E. Brant entertained the following guests at dinner: Mr. and Mrs. Henry Kulp and daughters, Eleanor and Annette, and son, George; Mr. and Mrs. John Grebe and daughter Kay Lorraine, all of the village; and George Brant, of Cleveland, Ohio.

Mr. and Mrs. Clarence Miller attended the recent National Dog show at Madison Square Garden, New York City.

Mrs. A. P. Albright was hostess to the Truth Seekers Sunday school class at her home recently. After a business session, devotions and games, the hostess served refreshments.

Mrs. Anthony Weglos is convalescing at her home after having been a patient in the Phoenixville hospital for several weeks.

The following playmates gathered at the home of Mabel Ewing to celebrate her birthday: Dorothy and Jackie Bauer, Ronnie Anderson, Patty Quay, Shirley Bieber and Edie Ewing. Games were played and refreshments were served.

Mrs. A. N. Dausereau, and Mrs. T. P. Madigan and her children, Ellen and Peter Damien, all of Troy, N. Y., were house guests of Mr. and Mrs. Luis Biamon.

John Curtis is convalescing at his home after having been a patient in the Pottstown hospital.

The Sunshine class met in the Linfield Reformed church social room Saturday afternoon, in the form of a Valentine social. After a devotional period, games were played and refreshments were served. The following girls were present: Ramona Deery, Nancy McMann, Shirley Renninger, Carol Grater, Sandra Stepp, Joan Smover, Alma and Agnes Epps, Louise Epps, Emma Witzel, Nancy Horner and the teacher, Miss Betty Lu McMann.

Mrs. Pearl Boyle, of Havertford, and Gayle Kerlin, of Pottstown, were recent guests of Mr. and Mrs. Harold Daub.

Bavarian Brewmaster Weeping Long, Loud About Weak Stuff Coming Out of His Vats

MUNICH, Germany, Feb. 19—The Bavarian brewmaster is shedding tears thicker than his beer. Things are tough in the Bavarian beer business, but nothing is harder for the brewer to take than his own beer. He practically bursts out crying every time he thinks of the miserable product now being foisted off on the public.

Remember the near-beer stuff that was making the rounds of the U. S. when prohibition was the cry? Well, the current Bavarian brew product is slightly weaker than our one-half of one percent prohibition lager.

Brewmasters report that even workmen in beer factories have difficulty drinking the stuff and for a Bavarian to be without beer is like a Chinaman without rice. The rest of the population openly scoffs at the stuff.

The Bavarian beer industry doesn't think the American military government under-

stands the role that beer plays in the life of the munichener or his country neighbor.

The military government is insisting that Bavarian hops, an integral part of beer making, be exported as a raw material. It all ties in with the program to lift German exports and get some foreign currency into the country. This seems treason to the Bavarian brewer.

He argues that one of Bavaria's main exports has always been beer, and that he can bring more dollars into his country through the finished beer product than can hops in their unfermented state.

Two years ago, on a visit to a brewery in Munich, the director was asked: "How long will it take to repair all the damage done by bombs to your brewery?" He estimated two years. Those two years have passed. He figures that just about 10 percent of the damage has been repaired. The other 90 percent is held up for lack of materials.

The plant's physical appearance is a little deceiving. By various ingenious improvisations, it could produce up to prewar production if only the hops were available. Due to the small amount allotted to it, the brewery actually produces about 30 per cent of capacity — and therein lies its troubles.

Unless something is done, the firm will go broke. It has, in the first place, tremendous capital expenditures in reconstruction of bomb damage. In the second place, it isn't producing enough to keep its books balanced. Something has to give, and it will be the brewery if more hops aren't soon forthcoming.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

Elizabeth Brendlinger Becomes Bride Of Elmer Wassall in New Bedford Church

A wedding of interest here took place last Saturday in New Bedford, Mass., when Miss Elizabeth Brendlinger, daughter of Mr. and Mrs. Vernon Brendlinger, 16 Calumet street, New Bedford, became the bride of Mr. Elmer Albert Wassall, Port Bragg, North Carolina, son of Mr. and Mrs. E. P. Wassall, Houston.

The double ring ceremony was solemnized in Saint Martin's church with the Rev. Johnson, pastor officiating.

The bride, who entered the aisle on the arm of her father, chose a gown of white satin, the fitted bodice containing an inset lace yoke trimmed with seed pearls, the skirt long and full ending in a court train. Her long trailing veil was edged with heirloom lace. She carried a bouquet of gardenias, roses and sweet peas mounted on a heart shaped peep.

Miss Betty R. Stewart, Bethlehem, cousin of the bride, was maid of honor. She appeared in a gown of pink bengaline and carried a heart shaped muf, upon which gardenias and roses were attached.

Bridesmaids were Miss Marion Selley and Miss Lillian Johnson, both of New Bedford. They were gowned in dresses of lace and net of yellow and blue with matching headpieces and heart-shaped bouquets.

Mr. James X. Brendlinger, Pottstown, uncle of the bride served as bestman, while the ushers were Mr. Donald Moser and Mr. Walter Oliver, both of New Bedford.

The bride's mother was attired in a beige suit with Navy blue accessories, while the bridegroom's mother wore a royal blue print with black accessories. Both wore corsages of red roses.

Following the wedding a reception was held at the home of the bride with guests attending from Bethlehem, Pottstown and Houston.

After a honeymoon in Boston, the couple will leave for North Carolina to make their home.

Mrs. Wassall is the granddaughter of Mrs. Gertrude Brendlinger, 660 Walnut street, and of Mr. J. William Weigold, Kenilworth.

Until a few years ago she resided with her parents in Kenilworth and returned every summer to make her home with her grandmother.

Manthorne Players Stage Two Plays in Boyertown

Two plays were presented by the Florence Manthorne players in Boyertown, recently, one for the ladies auxiliary of the Gilbertville Fire company and the other for the Lion's club, at the Odd Fellows hall. In addition, Florence and Bryce Manthorne gave a short skit, "The Silent System."

Characters in the first play, "Fireman Save My Child" were Helen Dell, Steve Demeduk, Howard Long, Berdette Finkbinder, Alice Yocum, Marie Dengler, Rafael Calvario and Judy Jones.

The second play, "Sauce for the Gouger," was presented by Ruth Emery, Lee O'Dell, Helen Bell, Alice Yocum, Berdette Finkbinder and Steve Demeduk.

Scouts of Troop 4 Work on Sit-Upons

Work on sit-upons was continued last night by the Girl Scouts of Troop 4 when they met in the Grace Lutheran church. Leaders in charge of the meeting were Mrs. Wallace Gehris, Miss Mildred Geist and Miss Beatrice Gehris.

It was announced that next week's meeting, to be held Feb. 26, will be spent in interest groups.

Scouts present were Dena and Carol Neyensch, Anna Irene Kepner, Alice Erb, Grace Moyer, Nancy Wilhelm, Phyllis Hall, Barbara Gilsen, Shirley Drumheller, Lynn Yenger, Joan Yost, Ruth Groff, Dorothy Berkheimer, Betty Gehris, Jane Barnet, Marie Gaugler and June and Aileen Houck. Visitors were Hazel and Mary Alice Smaile.

Mrs. George Mohler Entertains WCTU At Parkerford Home

"Draw Near" was the theme selected for the regular meeting of the North Coventry Women's Christian Temperance union, held at the home of Mrs. George Mohler, near Parkerford.

Participating in the devotionals were: Mrs. Harry Frick, spiritual life director; Mrs. Stauffer Wland, Mrs. Enos Fryer, Mrs. Sarah Shantz and Mrs. Albert D. Hartley.

During the business session members decided to hold a two-session institute in March in the Coventry Brethren church, Kenilworth. They are planning to have a state speaker and as soon as he is procured, the date of the institute will be announced.

Mrs. Hartley reported that 39 letters had been mailed to Congress by members urging that several bills be passed which are now pending. Most particularly the members are demanding that all liquor advertising be removed from the air waves, and that brewers be cut on the amount of wheat being given them as long as there is starvation in the world.

Following the business meeting a playlet, "That Brandy" was presented by Mrs. Mohler, Mrs. Stephen Keen, Mrs. Harry Frick, Mrs. Shantz and Mrs. Enos Keeley.

Local Shirt Company Donates to Valley Forge

The Pottstown Shirt company sponsored a trip to Valley Forge General hospital by the members of the Salvation Army Volunteer Carteen workers last night.

Miss Marion M. Shollenberger, Mrs. Ruth Hoover, Miss Grace Shollenberger and Miss Betty Jane Shollenberger served 160 sandwiches, five pounds of pretzels, 40 dozen doughnuts and 25 gallons of coffee to about 400 men. The food was donated by the Shirt company.

Teaching Can Help World Unity, Instructor Tells Rupert PTA Group

"The only way the world can be unified is by unity and teaching unity," declared Mr. Isaac Thomas, of The Hill, last night when he addressed members of the Rupert Parent-Teacher association at their annual founder's day program in the activity room of the school building.

"We must have patience and love and kindness," he told them, citing Abraham Lincoln as a man who possessed the three virtues.

Continuing, he stated, "We, as grown-up Americans, should get over the idea that we are superior people and work for the abolition of prejudice. We must bring up our children in the conviction that we are all Americans and no human being should be born despised."

He concluded by telling the large audience that in achieving better world understanding all parents and teachers have a great responsibility, one as great as the heads of our country have.

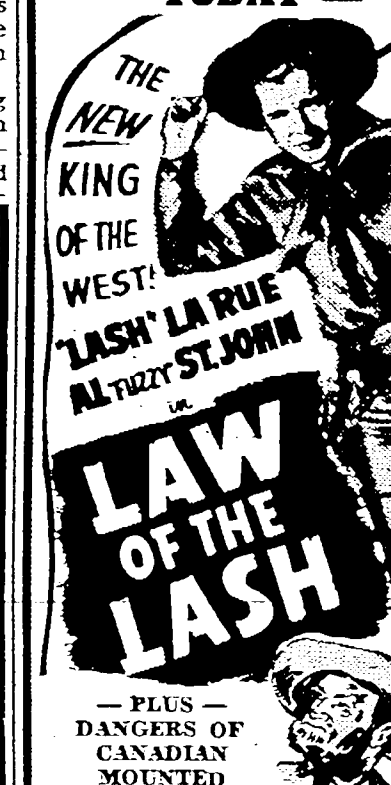

During the business session at which Mrs. Harold Rahn presided, it was announced that movies will be shown at the school every other Friday. Grades one, two and three will have the movies at 3 o'clock, while grades four, five and six will see the movies at 7 o'clock.

Plans were made to finance the sending of six safety patrol boys to Washington D. C. under the American Automobile association plan.

Prior to the cutting and serving of the Founder's day cake which was the centerpiece of gaily decorated tea tables, Mrs. Rahn read

St. Clair Students Present Own Play For PTA Celebration

Founder's day was observed by members of the St. Clair PTA last night at a meeting in the activity room, with a play written and presented by members of grade six taught by Miss Ida Wiant.

"Birthdays Party" was the title of the presentation with the following participating: Kenneth Sperron, Elizabeth Staub, Florence Halley, Robert Rutter, Charles Weidner, Kenneth Wesel, Donald Widger, Kenneth Yeager, Elizabeth Albright, Andrew Sozal, Thomas Lare, Elizabeth Gondal.

Members of the boys' chorus were Richard Prospero, soloist; Eugene Zelenak, Charles White, Donald Widger and Andrew Sakal. In the girls' chorus were Betty Albright, Darlene Ciprero, Marlene Ciprero, Lauretta Koenig and Lorraine Koenig.

The pianist was Mrs. Jessie Hayes.

Following the program a luncheon of cake and ice cream was served at a table decorated with blue and gold carnations and blue and gold candles. The centerpiece was the founder's day cake complete with birthday candles.

The room attendance award was won by Miss Ida Wiant and Miss Clara Jacob's grades.

Plans were made to have a rummage sale April 12.

\$16,058 Contributed To Girl Scout Drive

A total of \$16,058.19 cents was reported as having been collected at a meeting of the Central Montgomery County Girl Scout council held at the YMCA in Norristown, Tuesday night, in the campaign fund being conducted for improvements to be added to the Girl Scout Camp Kiwanis, near Schwenksville.

The fund needed for the improvements is \$56,000, which means that 28.6 percent of goal has been achieved. Due to inclement weather a number of the workers were unable to be present at the meeting.

Campaign leaders expressed pleasure with the results so far and feel confident with the continued support of their associates and residents of the entire area the drive will be successful.

The next report meeting will be held at the Valley Forge hotel next Tuesday, at which time all workers were urged to attend and bring as complete a report as possible.

Kiddies Are Guests At Valentine Party

Mr. and Mrs. I. George Shaner entertained at a Valentine party in their home, 380 North Evans street, in compliment to their daughter, Frances Marie.

Games were played and prizes awarded after which the children sang songs.

A luncheon was served on a table decorated with small red candy hearts scattered over the white tablecloth. Red roses were used for a centerpiece and each child received a valentine and a basket filled with candy as their favors.

Those attending the party were Dorothy Ann Yoder, Mrs. Marion Meyer and children Carl and Tommie; Mrs. Thelma Sterner and children, Barbara and Johnnie; Mrs. Mildred Shaner and children, Judy and Jimmy; Lennie Ebert, Mrs. Dorothy Saylor and son, Bobby; Linda Ebert, Mrs. Lucille Hutt and daughter, Nancy Lou; Mrs. Leah Saylor and children, Barbara Lee and Buddie; Mrs. Ruth Rank and daughter Judy, and Frances and Dennis Shaner.

Girl Scout Troop 10 Illustrates Five Rules

Three skits illustrating scout rules were presented last night by six members of the Girl Scout Troop 10 when they met at the Trinity Reformed church.

The first skit was written by Joan Royer and it evolved about rules two and three. Participants were Nancy Saltzer, Patsy Cannell and Joan Royer. Letty May Rich and Rose Favota presented the second skit which illustrated rule six, while Paula Lewis illustrated rules seven and three.

Games were played and songs were sung by Joyce Haury, Norma Jean Renninger, Patsy Schuller, Mariene Lambert, Mary Ann Lessig, Heather Davidheiser, Phyllis Gruff and scouts named above. Leaders were Mrs. Opal Haury and Miss Sarah Wagner. Mrs. George Royer, troop committeewoman, also attended.

While most of the world's jupe is grown in Pakistan, it is sent to Calcutta in the other Indian dominion for processing.

'We Must Co-operate' Declares Rev. Story At WCTU Meeting

In addressing the members of the Pottstown Women's Christian Temperance union at their postponed February meeting yesterday in the First Baptist church, the Rev. Deane E. Story, pastor, chose the subject, "Those Divided by Creeds Can Be United in Deeds." He highlighted his talk with five appropriate stories which gave suggestions as to the co-operation in the difficult problems of life between those of different creeds.

In concluding, he referred to the economic and political situation existing between United States and Russia, and expressed the hope that this difference may be overcome by united efforts in co-operation.

Mrs. Frank Sedis was in charge of devotional, basing her remarks on the Scripture, Matthew 16. Mrs. L. A. Kenaga, vice president, conducted the business session, with reports being given by Mrs. George D. Strubhaar, secretary, and Mrs. W. F. Maloney, treasurer. Mrs. Lester Ulmer gave an account of the flowers and cards sent to the sick members, while Miss Gertrude Ecker reported on publications of magazines for the organization.

Mrs. Dennis Loughlin told of the knitted squares for an afghan being put together by the union for the Vanderlip General Hospital.

Mrs. John Smoker and Mrs. Mildred Miller were admitted as new members.

Literature in the form of post cards as a gift from the Baptist church, asking assistance in eliminating drinking scenes in movies and the liquor and beer advertising on the radio, was given to the members.

Mrs. H. N. Olewiler, accompanied by Miss Minnie MacAfee, presented two vocal solos. Several selections were given by a chorus of ladies under the direction of Mrs. Edward Graham, including Miss Mary Eschbach, Mrs. Elsie Pike, Mrs. John Alting, Miss MacAfee, Mrs. Helen Meyers and Mrs. Graham.

Mrs. Clyde Borneman announced that the March meeting will be held at the home of the Misses Bella Prizer and Mary Schlechter, 504 North Charlotte street, at which time Miss Elizabeth Millard will be the speaker.

BEATRICE FAIRFAX'S Advice to the Lovelorn Battling for One's Rights

SOMETIMES I think the chief cause of unhappiness among American wives is the failure of their husbands to give them the companionship they want and need. Letter after letter comes to my desk from women who complain that their husbands come home at night, eat their dinner, and then do one of three things: Retire behind a book or newspaper, turn on the radio and want to listen in silence, or go to sleep.

The following paragraph from one of the letters in this morning's mail is typical of hundreds of others:

"My husband doesn't care to have friends. He doesn't want me to have friends or go any place. He is very quiet and irritable and not a companion to me at all. He just comes home, eats his supper, turns on the radio, and one doesn't even dare to talk to him. He never wants me to invite anybody in nor do I go anywhere. This goes on evening after evening."

It is easy to understand, of course, that most wives hesitate to assert themselves and act contrary to their husbands' wishes, even when they would be right in doing so, because their fear scenes. But there are times when a scene or two for a good cause can clear the air and end or introducing a much more wholesome atmosphere in the home. A wife who continually airs her grievances in silence may avoid trouble, it is true. But she is not making anything any better for herself by doing so. If she wants to try to

remedy an unsatisfactory state of affairs, she usually has to be adventurous enough to risk stirring up a storm. But in a great many cases, such storms subside if the wife has the courage to stick to her point. And when they are over, she is likely to find herself in a vastly better position than before.

Of course, it all depends on whether she values her objective enough to take the risk. I should think that when a wife is forced to spend evening after evening alone with a husband who pays not the slightest attention to her, she would be ready to risk almost anything if there were the least chance of improving her situation. If he wants to sit home with his radio, I think she should assert her right to invite friends of her own in, or to go out with a friend. And I believe, in most cases of this kind, if the wife can win her point, she will find that her husband will get some from her friends.

This particular wife asks if I

Distribution Made Of \$110,000 Estate Left by 'Ford Woman'

The will of Mrs. Madge B. Thomas, widow of E. R. Thomas, 251 Walnut street, Royersford, which was filed for probate in the register of wills office, Norristown, yesterday, disposing of an estate valued at \$110,000, comprising \$100,000 personal and \$10,000 real estate.

Numerous bequests are contained in the will, which was dated Aug. 13, 1945. Mrs. Thomas died Feb. 7, 1946. Her husband, who was president of the National Bank of Royersford, died in 1944.

Named executors of the estate were Samuel Emmett Buckwalter, only brother of Mrs. Thomas, and Horace K. Thomas, step-son.

According to the will, the sum of \$1000 shall be placed in trust for the upkeep of the burial lot of I. N. Buckwalter and B. B. Brant.

To Samuel Emmett Buckwalter is bequeathed the sum of \$25,000, and to Horace K. Thomas, \$25,000 and the house at 251 Walnut street.

Other bequests include: to Mrs. Thomas' sister-in-law, Nellie Roper Buckwalter, the sum of \$5000; also her diamond brooch. To a friend, Helen A. Ruhl, the sum of \$5000; to a cousin, Mabel LaRue Buckwalter, the sum of \$3000, to be used if she ever wants to enter a home, or to be used for her on the advice of her cousin, Dr. Louis Scheffey.

To Mrs. Thomas' cousins, Mrs. Irene L. Hoster, Gabriella Yatis and Wanda Schaff, the sum of \$2000 each.

To Emil C. Lukes or his descendants the sum of \$1000; to Beatrice B. Officers Elected By Scout Troop 55

Senior Girl Scout Troop 55 elected officers at its meeting last night in Royersford Grace Lutheran church. Marjorie Renninger was elected president; Joan Smith, secretary, and Suzanne Raudenbush, treasurer.

The troop completed arrangements to serve refreshments at the 50th anniversary celebration of Royersford Free Public Library Wednesday night. A cake sale was planned for the near future.

Educational trips were planned to a Philadelphia ice cream manufacturing plant and a Philadelphia bakery. Suzanne Raudenbush received a song book for bringing the most clothes for European relief, and Joan Smith received a similar book for wearing the most.

The troop acknowledged \$5 contributed toward the Girl Scout camp fund from the Senior Boy Scout troop, under direction of John Flynn and John Fetterolf Jr.

Attending the meeting were Dolly Leonhardt, Joan Smith, Mary Undercoffer, Nancy Urban, Sandra Bauman, Carolyn Fry, Joanne Heller, Nancy Fryer, Nancy Thomas, Suzanne Raudenbush, Marjorie Renninger and Miss Phyllis Stafford, leader.

Lincoln Day Program Presented by Pupils Of Barlow School

An impersonation of Abraham Lincoln was presented by Mr. Wilford Campbell, of Charlestown, to the pupils of the Barlow school, Royersford RD, when members of the Young Barlow league of the school recently sponsored a Lincoln Day program.

Lincoln's Gettysburg address was recited by Janet Evans, while a Lincoln story, "How Lincoln Refused to Drink or Smoke," was given by Peggy Jones. "Oh, Captain, My Captain," a poem, was given by Jeanette Yeager and another poem on Lincoln was presented by Edwin Orwig.

Three records, "Abraham Lincoln Walks at Midnight," "Nancy Hanks," and "Lincoln, the Man of the People," were played. Songs were sung under the direction of Peggy Jones, pianist, who with Janet Evans, president, was in charge of the meeting.

Guests included the parents and Mr. Wesley Detweiler, assistant superintendent of schools in Montgomery county.

Prior to the Lincoln program, a Valentine social was held in the form of a Valentine-making contest. The first Valentine completed was made by Melvin Brunk, while Joseph Wojton, Elaine Ludwig and Edgar Orwig created the best-looking cards.

Refreshments were served at a later hour.

Pistol-Packin' Coach Defies KKK

A gun stuck in the waistband of his trousers, coach Walter Bowland of Lakeview, Ga., high school, tells reporters about his defiance of the Ku Klux Klan. He made an appearance in Rossville, where his basketball team was playing a game, although he declared the KKK had threatened to tar and feather him if he showed up. The ex-Marine incurred the Klan's wrath when he disciplined a student-player.

West Coast Couple Visits Mowrey Home

Mr. and Mrs. Daniel Mowrey, 333 Washington street, Royersford, who spent several months in Salinas, Calif., the past Summer visiting their son and daughter-in-law, Mr. and Mrs. Horace Mowrey and family, were surprised by a brief visit at their home here yesterday.

Answering the door, they greeted Mr. and Mrs. Carl Christensen, Solidad, Calif., whom they met while in California.

The couple had traveled by rail to Detroit, Mich., to purchase a new car for Mr. Christensen to drive around on his ranch. After receiving their new car, they continued on to the East to visit friends, including the Mowreys here, and Mrs. Irma Shryock, house mother at Ursinus college, Collegeville, who had accompanied the Mowreys to California the past Summer. Mrs. Shryock is Mrs. Horace Mowrey's mother.

Nation's Steel Makers Increase Prices In Face of Workers Demand for Pay Hike

NEW YORK, Feb. 19 (AP)—Steel makers boosted prices on an industry-wide front today.

The higher prices will add millions of dollars to the nation's steel bill and may be the forerunner of still further advances.

Some quarters suggested the mark-ups anticipated demands for higher wages expected from the United Steel Workers union (CIO). Others cited higher costs.

Steel is a key raw material in our highly industrialized economy. Price increases, large or small, may finally affect the cost of automobiles, hairpins, refrigerators and the hundreds of other products containing steel.

Large steel producers today announced increases of about \$5 a ton in the cost of billets, blooms and slabs, products known as semi-finished steel. New prices were the highest in years.

U. S. Steel corporation and Bethlehem Steel corporation, the two largest steel makers in the world, were among those who first disclosed the higher prices. They were followed by other steel giants such as Jones & Laughlin Steel corporation, Inland Steel corporation and Republic Steel corporation.

Carnegie-Illinois Steel corporation, operating subsidiary of U. S. Steel, said forging grades of blooms, billets and slabs were boosted from \$35 per gross ton to \$44 per net ton. That was a round-about way of saying the price had increased \$1.89 a net ton. Rolling grades of steel were also advanced.

First to be affected by the higher prices will be non-integrated steel processors who make finished steel products from semi-finished steel. Much of this production is in the form of heavy castings and forgings. These processors, who use only a fraction of total production of semi-finished steel, will find their costs increased about \$10-600,000 annually, according to an estimate by the iron age, authoritative trade publication.

The big steel companies, although selling a portion of their semi-finished steel output to so-called outside companies, process the bulk of it themselves. Higher prices for these integrated companies would be expressed in their finished products such as sheets and strips of steel.

BARCLAY ON BRIDGE

By SHEPARD BARCLAY

See Their Exact Size
IT IS IMPOSSIBLE to be a fine bridge player until you cure yourself of the natural human lazy habit of not noticing the exact size of the "little" cards played to a trick. Later on, after some of the higher cards have been played, the exact height of the little played becomes vitally important. What had once been a very low card might now be the highest or next-to-highest of the suit still in the hands of the four players. If you don't know what are the relative sizes of those outstanding cards, you are obliged to guess and may guess wrong.

There was South in a malleable game contract, expertly bid. But he threw it away through not keeping his eyes open when "little" cards were played.
West led the diamond 9 to the A. South, of course refusing the finesse because of East's bidding. So he could lead trumps toward

Trojans Face Phoenixville Foe In Final Section Three Tussle

Still keeping their sights on sole possession of second place, the Trojans of Pottstown High invade Phoenixville tonight to test the Phantoms on their home court in the final Section Three game of the 1947-48 basketball season.

The Trojans are resting in a tie for second place with Coatesville, and a Pottstown victory tonight coupled with a Coatesville defeat at the hands of Downingtown will give the locals the runnerup position.

In the first meeting of the Phantoms and Trojans here, the

Pottstown combine took a 31-24 decision. Since then, the Trojans have improved and hit their peak Tuesday night by drubbing Berwyn by a 75-15 score at Berwyn. Phoenixville's record against Berwyn is one victory and one defeat.

Coach Ed Good's Trojans will be shooting for their seventh league win tonight and their 11th victory of the year at Phoenixville tonight. The Phantoms, victorious only twice in league competition will be going after their third league win and a chance to cop fourth place in the Section Three standings.

Good announced last night that he will start his regular

lineup against the Phantoms tonight. The Trojan center will start Stan Siolek and Don Ziegler at forward; Brower Yerger at center; and Bobby Mauger and George "Pud" Rath at guard. Ziegler set a new modern scoring record for Pottstown High against Berwyn Tuesday night by scoring 26 points. Since tonight's game is the final league tussle of the season, Good will probably let his underclassmen see a good bit of action.

The Baby Trojans will be looking for their eighth league win tonight when they battle the Baby Phantoms in the preliminary tussle at 7:15 o'clock.

Spring City Quintet Battles Bridgeport; Norco Cagers Play Host to Upper Merion

With the "Jolly Rogers" flying high on the mast, the Pirates of Spring City High sail into Bridgeport tonight to face the mighty Dragons of Bridgeport High. The Pirate-Spring City tussle is the main event of the Section Six basketball program for tonight.

The Heavyweights and the Velokids continued to pace the YMCA-Senior Recreation Basketball League last night by turning in impressive victories over the Hawkeyes and Speedboys in the local YMCA court.

The Heavyweights handed the Hawkeyes a 26-17 defeat in the first game and the Velokids took a 56-22 decision from the Speedboys in the nightcap.

The Velokids put on a brilliant display of basketball in defeating the Speedboys, finding the range of the nets for 27 field goals and two fouls during the tussle. At halftime, the advantage held a comfortable 27-9 lead.

After an eight-point rally by the Hawkeyes tied the score at halftime, the Heavyweights came back in the third period to go ahead again. The winners then clinched the decision with a seven-point outburst in the final quarter.

Bridgeport, sporting a record of five wins and two losses, is currently sharing the top spot in the league standings with Upper Merion High's Spartans. A victory over the Pirates tonight will assure the Dragons of at least a tie for the title.

Spring City, winning three of its past four games, has its eyes on third place in the standings and a victory tonight will boost the Pirates ahead of the Golden Bears of Conshohocken. The Pirates hold a double victory over North Coventry and a single win over Upper Merion in league competition.

The Pirates have been pointing to this game and are eager to pull an upset victory over the Dragons tonight as they did against the Spartans a few weeks ago.

Coach Gene Groff announced last night that he intends to start Phil Carl, Art Stauffer, Ray Davis, Jim Reischer and Jack Ludwick against the Dragons tonight. A preliminary game, scheduled to start at 7:15 o'clock, will precede the varsity tilt.

Upper Merion, also shooting for a better hold on first place, comes to North Coventry tonight to battle Coach Nick Giunta's Wildcats.

North Coventry is resting in the Section Six cellar, but holds victories over Bridgeport and Conshohocken. Both victories came when the Wildcats were rated underdogs.

The Spartans defeated Conshohocken Tuesday night and moved into a tie for the league lead with the Dragons. If the Spartans and Bridgeport win tonight, they will have to meet in a playoff to determine the Section Six champion.

For tonight, Ted Kepner, Bill Callahan, Joe Yavner, esky, Tim Ratdorf and Bill Dolhanczyk will start against the Upper Merion combine. A preliminary game will precede the varsity tussle at 7:15 o'clock.

After tonight's game, the Wildcats have three games remaining on their schedule. Two games with Amity-Bigh are listed for next week and a postponed game with Warwick will be played March 2.

Bala Cynwyd Meets Golden Cubs Today

Still carrying high hopes of finishing their season with an even number of victories and defeats, the Golden Cubs of Pottstown Junior High take on Bala Cynwyd's basketballers this afternoon on the local North Franklin street court. The game will start at 3:15 o'clock.

The Cubs were defeated by Ardmore in their bid to even the season's record Tuesday afternoon, but if Coach Gene Kauler's charges can win over Bala Cynwyd today and then turn back Phoenixville next week, they can bring their record to seven wins and seven losses.

Kauler announced last night that he will start Dave Ricketts, Lou Izzell, Pete Stepie, Dick Ricketts and Paul Duttenhofer against Bala Cynwyd this afternoon. A junior varsity game will follow the varsity tussle.

BO M'MILLIN SIGNS CONTRACT WITH PRO LIONS

Former Indiana Coach Reported to Receive \$30,000 a Year Salary

DETROIT, Feb. 19 (AP)—Turning from a career of more than 20 years as a college football coach, Alvin N. (Bo) McMillin, colorful gray-haired Indiana university mentor, moved into the professional ranks today by accepting a long term contract as head coach and general manager of the Detroit Lions.

Although neither McMillin nor D. Lyle Pife, president of the Detroit club of the National Football League, would specify terms of Bo's pro contract it was believed to be for seven years at a salary of \$30,000 a year.

Both McMillin and Pife made it clear that Bo's acceptance of the post hinged completely around his release by Indiana university's board of trustees from his contract there as athletic director and head grid coach. McMillin's IU contract, a 10-year pact when he signed it in 1945, still has seven years to run.

While McMillin said that he had approached some members of the board and had assurance they would not stand in the way of his coming here, he explained that his next move would be to telephone the trustees and ask formally for his release.

Prompt action was expected by the board, freeing him to go to work immediately with the Lions.

McMillin, who has been Indiana's grid state-knight since 1934, said he had hopes of bringing along "a man or two" from his Hoosier coaching staff to become his assistants with the Lions.

The future of Joe Bach, line coach, and Bob Winslow, backfield coach, the Lions' 1947 assistants under Charles E. (Gus) Dorais, will be determined after a conference with the men themselves, McMillin said. When Dorais gave up Detroit's head coaching job prior to the club's recent sale to an eight-man syndicate headed by Pife, the club retained Bach and Winslow under contracts that have not expired.

Pife said that Lewis M. Cromwell, holdover general manager from the ownership of Fred L. Mandel Jr., would be retained as business manager.

McMillin, who gained nationwide fame for the first time as quarterback of Centre College's "Praying" Colonels who upset Harvard in 1921, coached college teams at Centenary (La.) college, Geneva (Pa.) college and Kansas State before taking the Indiana reins in 1934.

His Hoosier teams have won 63 games, lost 48 and tied 11 in 13 seasons and it was with obvious regret that McMillin turned away from the Indiana campus on which he produced a Western conference champion in 1945.

CARL SNAVELY

Football Dons Offer Coaching Job to Snavely

LOS ANGELES, Feb. 19 (AP)—Head Coach Carl Snavely of the University of North Carolina has been offered the job of coaching the Los Angeles Dons of the All-American Football conference.

The Dons late today in a formal statement admitted what was reliably reported yesterday that the veteran mentor had been offered the post and the matter rests with him.

Club spokesman Frank Clement said Snavely conferred in Chicago during the conference meeting with Ben F. Lindheimer, board chairman of the Dons, and general manager Harry Thayer.

Out of an original list of some 100 coaches, the role was pared to five, and then to one man, Snavely. He is the only one who has been formally offered the job vacated in the mid-season the past year by Dudley DeGroot, Clement said.

Snavely's answer is expected "within a few days." No salary terms were disclosed but the position figures as one of the best paying jobs in professional football.

In 21 seasons of college football, Snavely's teams have won 124, lost 52 and tied 14, according to records here.

A graduate of Lebanon Valley college in Pennsylvania, Snavely first coached Bucknell from 1932 through 1933. The 1931 team, starring Clark Hinkle, was undefeated. He went to North Carolina in 1934-35 and lost but two games in the two years.

Cornell was his next step, from 1936 to 1944, where his 1939 team was unbeaten and the 1938-39 teams led the Ivy league. Snavely went back to North Carolina in 1945. The past season the Tarheels, under Charlie (Choo-Choo) Justice, the star back, lost two games, to Texas and Wake Forest.

Kutztown Five Tests Boyertown Bears in Final League Game

Kutztown High's basketball team, newly crowned champion of the Northern division in the Berks County conference, comes to Boyertown tonight to test Coach Bob Fleming's Bears in the final league tussle of the season for both teams.

Kutztown, idle the past Tuesday night, clinched the championship when Kutztown High eliminated Hamberg from the race with a 50-47 decision.

Boyertown, sporting a record of three wins and six defeats, is currently holding down fifth place in the Berks County league standings. A Boyertown victory tonight, however, coupled with a Fleetwood victory, will move the Bears into a tie for fourth place.

Kutztown drubbed the Boyertown quintet by a 53-38 score. The Bears, however, are stronger now than they were in the first game with Kutztown and are capable of causing a lot of trouble.

The Bears are riding on top of a two-game winning streak and will be trying to stretch it to three games. The Bears will close their season Tuesday night at Spring City. Fleming announced last night that he will start Jim Hallman, Jake Hartline, Dick Neiman, Henry Johnson and Freddie Smith against the league champs tonight. A preliminary contest will precede the main event at 7:15 o'clock.

Engineers Trip UAW, 48-31

CAPTURE BERTH IN CITY LOOP'S FINAL PLAYOFFS

Roth's Hand Maria Assunta 41-16 Defeat; Teams Must Meet in Third Game

Copping their 11th consecutive victory against league competition, the Pottstown Tool and Engineering company cagers moved into the finals of the City Basketball league's Shaughnessy playoffs last night with an impressive 48-31 decision over UAW 644's Autoworkers. It was the Engineers' second win over UAW in the semi-final round.

In the first game of the double-header, Roth's avenged the 32-25 defeat at the hands of Maria Assunta in the first game of the semi-finals Wednesday by coming through with an overwhelming 41-16 victory last night to even the series at one game apiece.

Maria Assunta and Roth's will meet in the deciding game of their semi-final series Monday night at 8 o'clock. The Pottstown Cardinals will face Pennsburg in a preliminary tussle.

Some 350 fans wended their way to the Pottstown Junior High gymnasium last night to watch the Engineers pull away from UAW 644 in the second half after the Autoworkers had matched the pace during the first 20 minutes.

The Engineers took a commanding eight-point lead in the first period, but the Autoworkers rallied in the second quarter to tie the score at intermission, 17-17.

Using the fast break as their chief weapon, the Engineers pulled away from the Autoworkers shortly after the second half opened and enjoyed a three-point advantage after three periods.

Continuing to employ the fast break in the fourth period, the Engineers rallied for 16 more points while holding the Autoworkers to a lone field goal.

Paul Stolar led the Engineers' attack against UAW 644, tabling 12 points on six field goals. John Psota, UAW 644 center, took scoring honors, however, with 13 points.

Potter came back strong last night after losing his first game to Maria Assunta to win easily by 25 points. Playing great defensive ball throughout the entire game, Roth's limited Maria Assunta to six field goals.

Starting with a four-point lead in the first period, Roth's pulled away into a 17-7 advantage at intermission. Roth's made it 25-10 after three periods by hitting their peak in the final 10 minutes by netting 16 points to Maria Assunta's six.

Bull Maloney, high scorer for Maria Assunta Wednesday night with 13 points, was held to two field goals last night. He dropped two charity tosses for a six-point total. Claude Reinhardt, Roth's big forward, got back into top shape last night and hit the cords for 15 points on seven field goals and one foul. He was held to five points Wednesday night. Carlos Trolinger helped Roth's gain revenge by tabling 11 markers.

Home State Golfers Set Pace at New Orleans; Hogan, Mangrum Card 69s

NEW ORLEANS, La., Feb. 19 (AP)—The home state boys took the honors here today in the first round of the \$10,000 New Orleans Open Golf tournament.

Frank Champ of Lake Charles and Fred Haas Jr., of New Orleans, wound up in an all-Louisiana tie for the lead with cards of 33-34-67, four under par.

Joe Moore Jr., captain of the Louisiana State university golf team, was low amateur by three strokes with 34-36-70.

A stroke behind the pace-setters came Jimmy Thomson, hard-hitting old-timer from New York, and Bill Nary of Phoenix, Ariz. Thomson's 34-34-68 led the round until three-fourths of the field of 137 was in. Nary had 33-35-68.

At 69 were Ben Hogan of Fort Worth, Tex., Lloyd Mangrum of Chicago, leading money winners of 1947; Dick Metz of Arkansas City, Kas., and Edmund Burke of Newport, R. I.

Dutch Rhode Flattens Kovacs in Reading

READING, Feb. 19 — Herman "Dutch" Rhode, young popular batter from Camden, N. J., treated a large crowd to a brilliant display of wrestling here tonight, flattening Sanford Kovacs, handsome wrestler from Hungary, in 27 minutes, 47 seconds of the main bout in the Armory.

In the team match, Reading's young star, Marvin Mercer, teamed with Mike Steinborn to win over Don Lee and Harry Finklestein in two straight falls.

In the 30-minute semi-windup, Lou Parina was awarded a close decision over George Bruckman.

PITT'S DECLINE AS GRID POWER PINNED ON COACH

Newspaper Says Report Of Investigations Also Blames School Officials

PITTSBURGH, Feb. 19 (AP)—A report that an investigating committee's findings will rap knuckles on all hands guiding Pitt football was called "shooting in the dark" by a university spokesman today.

The Pittsburgh Sun-Telegraph said:

"Football Coach Mike Milligan, Athletic Director James (Whitey) Hagan and university officials will share the blame for Pitt's decline as a grid power, according to a report to be submitted to Chancellor Rufus H. Fitzgerald this week.

Hagan declined comment. So did Milligan and others connected with football.

A spokesman close to university athletics who declined to be named, said:

"Stories on the contents of the report are premature—shooting in the dark."

Walter Thompson, a senior at Pitt and a student member of the committee, was more outspoken. He said:

"This (the newspaper account) is not the true report. It's pure speculation. That's as far as we can go. Nobody but the committee members have seen the report thus far."

The Sun-Telegraph said the report will blame Milligan for "inability to handle, discipline and get the most out of young players," failure to "eliminate 'crazies' from the team," lack of "aggressive program" to bring district high school coaches, and "lack of an offensive on the gridiron."

The newspaper said Hagan will be blamed by the investigators for being "too timid" in his approach to football and athletic affairs; lining up of "suicide schedules" topeachy with Big Nine opponents; lack of an "aggressive program" to bring district high school stars to the university and "excessive courting" of Big Nine schools.

Administration policy-makers will be blamed, the newspaper said, for "lack of a clear, realistic athletic policy"; failure to "eliminate cheer-out authority" to Milligan, Hagan and other athletic figures; and "indifference to pleas of students, alumni and Pitt football rooters for good football teams."

The investigating committee is Attorney John Nicklas of Pittsburgh. He could not be reached immediately for comment. The probe began about midway of Pitt's past football season. The Panthers' 1947 record was the worst in modern football history. They won one and lost eight.

4TH PERIOD RALLY GIVES MOOSE FIVE 65-59 CAGE WIN

Making a great comeback in the second half the Phoenixville Moose scored an impressive 65-59 victory over Parkside in a Royersford Community league game on the Royersford High court.

In the second game of the double-header, the Liberty Vets had little trouble defeating the Royersford Vets by a 36-18 score.

Parkside took a one-point lead over the Moose in the first period, but the comeback was advanced 29-24 at intermission. Phoenixville rallied for 24 points in the third period to tie the score and then led the decision with a 17-point rally in the final 10 minutes.

The Liberty Vets started slow, but in the first period put the Liberty Vets in front and Royersford never caught up.

VanBuren Sets New Record For Rushing, Figures Show

PHILADELPHIA, Feb. 19 (AP)—It's official now — Steven Van Buren broke a 13-year-old National Football league record to win the pro football ground game title.

The Philadelphia Eagles running ace earned 217 yards for a 1003-yard total of 4.6 yards per plunge. This eclipsed by four the mark set in 1934 by the Chicago Bears' Beattie Frazier.

Official NFL statistics released today by Commissioner Bert Bell also showed Van Buren lagged the leather more times than anyone else in 1947 and tallied 14 touchdowns.

But the ex-Louisiana State star wasn't the entire NFL offensive show.

Johnny Clement, Kenny Washington, Jim Castiglia and Pat McGugh, Charley Trippi and Elmer Angsman also were part of the running-scoring act.

Clement sparked the Pittsburgh Steelers. He gained 670 yards in 129 tries for a 5.2 average, tallied four touchdowns.

The Los Angeles Rams' Washington compiled two marks in finishing fourth in ground gaining. The Negro speedster gained 74 yards per try in 60 attempts (best average mark) and sped 32 yards per time for the season's longest gain from scrimmage.

Castiglia, an Eagle castoff picked up by the Washington Redskins, gained 426 yards in 104 attempts. He was sixth in rushing, compared with 54 in 1946.

McGugh who gave teammate Van Buren a run for his money when he crashed the lineup, out-averaged Washington (7.8 yards per try) but wasn't credited with the mark because he carried the ball only 22 times in gaining 171 yards.

Angsman and Trippi were primarily responsible for bringing the Chicago Cardinals their first league title in history. Angsman gained 542 yards in 110 tries and Trippi, 401 in 83 to finish seventh and ninth in rushing.

Jersey City Giants Offered for Sale

NEW YORK, Feb. 19 (AP)—Robert Smith, an attorney and part owner of the Jersey City Giants of the American football league, said today the club was for sale.

Other stockholders are Dan Reeves, owner of the Los Angeles Rams; William Nichols and Joe Shields.

The Jersey Giants served as a farm the past two seasons for the New York Giants of the National Football league. All such agreements were terminated recently when the two leagues broke off relations.

Louis Sails for England, Threatens to Battle Baksi Or Lesnevich in Title Bout

NEW YORK, Feb. 19 (AP)—Heavyweight champion Joe Louis, who has political ambitions, and challenger Joe Walcott, who has title aspirations, were miles apart tonight—on two counts.

The champ sailed for England after delivering his "sign in two weeks or else" ultimatum to Walcott. Back home in Camden, N. J., Jersey Joe just laughed it off.

Shortly before departing on the Queen Mary, Louis also startled newsmen by disclosing that he plans to enter the political ring after he returns from the boxing ring.

"I will go into some kind of politics," said Joe, who expects to quit the fight game after risking his title in June, "but I don't know what kind."

Then he repeated last night's statement about the Walcott fight.

He again threatened to make his last appearance against somebody else—Gus Lesnevich or maybe Joe Baksi.

The Brown Bomber said he was pestered at by Walcott's handlers who have refused to sign for a return bout.

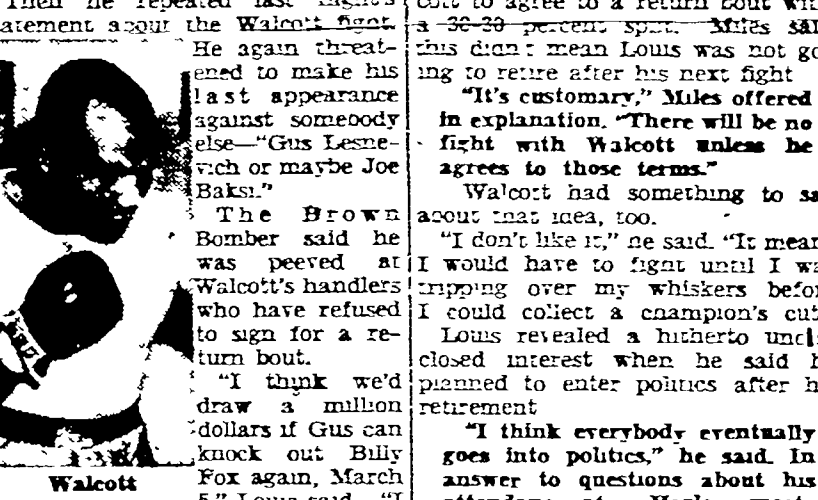

"I think we'll draw a million dollars if Gus can knock out Billy Fox again, March 5," Louis said. "I also think he'd put up a better fight. He's a harder puncher."

He did not go into details about Baksi, now totting to take off weight for a March 19 date with Gino Bonavino. Baksi hasn't fought since he lost to Ole Tandberg the past July.

It seems Walcott doesn't scare easily. He was not overly disturbed about Louis' threat.

"If Louis thinks he can put over Lesnevich or anybody else as a challenger and draw a million dollars, let him go ahead and try," Jersey Joe commented. "He ought to be thankful he still has the title after I beat him in December."

Louis actually is under contract to fight in the Yankee Stadium in June against an opponent to be named by the promoter.

Walcott

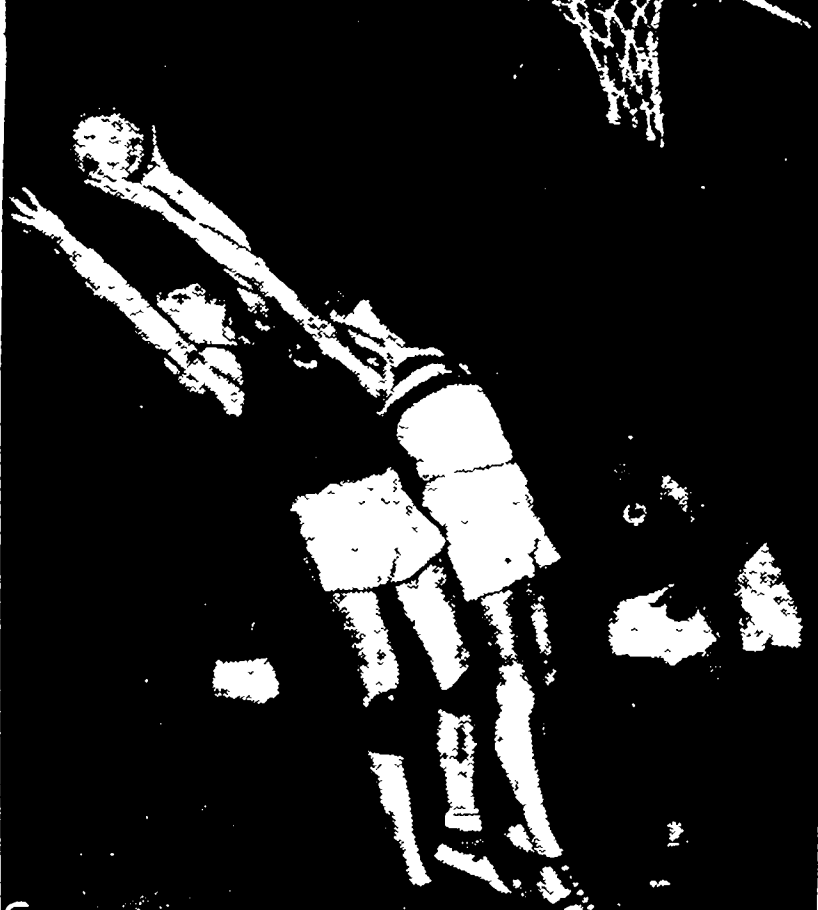

"I think everybody eventually goes into politics," he said. In answer to questions about his attendance at a Harlem meeting the past Sunday where Henry A. Wallace was a speaker, Louis replied that he was present "because the same reason everyone else went there."

The champ said he had not decided if or when he would run for public office.

Louis will stage an extensive series of exhibitions in London that he plans to start training for his June fight.

Mrs. Louis, Miles, Trainer Manny Seamon, his secretary and two friends made up the Louis party. To be sure they wouldn't go hungry in England, Louis said they were taking 300 pounds of steaks and a large supply of canned vegetables, butter and fruit.

Oh, Their Aching Backs!

Basketball apparently is played on the bias in France, if this photo is any indication. Picture shows action in a game in Paris between a French team and one representing Hungary. French wear dark jersey. Hungary won, 52-43.

Merit Badges Presented to Boy Scouts At Court of Honor Here; Troop 18 Cited

There was standing room only at the Boy Scout Court of Honor last night in borough hall as a near-record number of merit badges were awarded and Troop 18 won the audience contest in connection with the recent Merit Badge show.

The unusual number of awards was due largely to the intensive drive by local troops as part of National Boy Scout Week, while many of the scouts completed their merit badge requirements by working at the Armory show the past week.

Troop 18 was announced as winner of the contest among 28 area troops to bring the most guests to the show. The St. James Lutheran church troop was followed by Troop 15 of Grace Lutheran church and Troop 9, sponsored by Pottstown Nest 134, Fraternal Order of Orioles.

Top individual honors went to William Joseph Troop 8 and Robert C. Bickel, Evansburg Troop 1, both of whom were presented the Life rank badge.

Five scouts were promoted to Star scout, with four of them coming from Troop 1: David C. Seidel, John C. Loran, John Henry Hausman and Robert J. Meyer. The fifth was William Williams, Evansburg.

Robert U. Beersman, district scout executive, spoke on the Valley Forge pilgrimage to be held tomorrow, and said that future Courts of Honor will be held at a new meeting site, to be chosen later.

The meeting was in charge of C. Edgar Donahower, district commissioner, with Roy Geiger and George Frutman as clerks of court.

Other promotions made were: First class, Theodore Whisler, Troop 1; Robert Whitman, Collegeville 1; and James Jones, Troop 8.

Second class, Roy Donahower, Troop 1; Herbert Harman, Miles Robbins and Paul McCoy, Graeford 1; Willis Bridgman and Richard Isett, Troop 5; Michael Lucas, Gilbertville 1; Richard Bechtel, Stowe 1; and Barney Wood, Evansburg.

Merit badge awards included: Troop 4, Wilbert O'Connell and Walter L. Syphard, personal and public health; Troop 3, Ronald Frederick, John Dicks and John Jacob, pathfinding.

Troop 9, Carl Missimer and Richard Raugh, personal and public health and safety; Gerald Daly, home repairs and safety; and Charles Marquette, pioneering.

Troop 18, Kenneth Christman, home repairs, and Ronald Seasholtz, woodwork.

Linfield 1, Richard Albright, home

repairs; Jonathan Albright, firemanship; Gerald Hammel, farm layout and building arrangement; George Leskovic, the same two plus farm mechanics, and William Stepp, civics.

Limerick 1, William Pengilly and Carl Mogel, personal and public health, and James Marsden and Galen Hakeman, personal health.

Trappe 1, James Anderson, leathercraft and personal health; Albert W. Toppel, leathercraft, and David Cornish, airplane structure.

Yuletide Mail Buried By Snow Delivered

NICHOLSON, Feb. 19 (AP)—Thanks to the Spring-like weather, residents of this community of 1000 finally received Yuletide greetings today.

Postmaster L. A. Wallace explained it this way:

The past Dec. 22 several mail pouches were thrown off a Lackawanna railroad train as it sped through the town. One of them landed in a snow drift. More snow that day and additional January falls completely buried the pouch.

The sack rested beneath the blanket of white until the current thaw exposed it.

Valley Forge Worker Leaves Hospital Here

Fred Pittman, 25, Salem, N. J., who collapsed early yesterday morning on South Hanover street, was discharged from Pottstown hospital yesterday afternoon at 4 o'clock.

The attack, which left him unconscious for three hours, was caused by a head injury suffered while serving in Europe with the Army, hospital attaches said.

Since being discharged from the Army, he added, Pittman has been working as a civilian orderly at Valley Forge hospital, and taking treatment for the injury.

He had come to Pottstown and collapsed on the sidewalk after sleeping past the Phoenixville stop on the train.

PRINCETON, N. J., Feb. 19 (AP)—Two men were killed and three others slightly injured today when a storage tank failed and flooded Princeton university's Frick chemistry laboratory with hydrogen sulfide.

The two victims were employed by the university as laboratory maintenance men and were overcome while refilling the tank for use in a class demonstration scheduled for the afternoon.

Robber Refuses \$2.67, Walks Away in Disgust

CHICAGO, Feb. 19 (AP)—Mrs. Lillian Milne, 51, opened the door of her home today to a man posing as a gas meter reader who thrust a gun at her and demanded money.

She told him she only had \$2.67 in the house.

Then, she told police, the man said "oh pooh" and walked away in disgust.

Former Showgirl Wounded in Florida

MIAMI BEACH, Fla., Feb. 19 (AP)—Mrs. Eleanor McCoy, 40, of New York City, a former showgirl, was recovering in a hospital here today after being shot twice by unknown assailants early yesterday.

Mrs. McCoy, described as a pretty blonde, was fired on by two men who crowded her car to the curb on Pine Tree drive shortly after she had left a night club in the company of Irving Fein, New York manufacturer.

Fein was held by police and released on \$100 bond for his appearance in court Monday on a charge of vagrancy and investigation.

Detective Supt. Charles Pierce said the charges against Fein amounted to an "open" count.

He said Fein asserted two men traveling in a black sedan forced his car to the curb and then opened fire. One bullet struck Mrs. McCoy.

Easy to look good in

One of the nicest things to wear this month, or any month is this Arachord Ensemble.

It's Arrow's newest shirt, tie and handkerchief trio with patterns so good-looking—so beautifully color harmonized together that it can't help giving you a swell fashion start for '48.

Arachord shirts come in blue, tan, gray and green—offer a choice of Arrow's best-looking collar styles. Come in for yours.
